

## PRESIDENT WILL HAVE TO FILL AT LEAST ONE VACANCY

### Must Fill Board of War Finance Cor- poration

#### MUST RAISE MONEY FOR LOANS

(By The Associated Press)  
WASHINGTON, Jan. 4.—President Wilson will have to fill at least one of the two vacancies on the board of directors of the revived war finance corporation before it can make any considerable number of loans for financing exports with a view to affording relief to the farming and other industries. This statement was made by treasury officials today after the resolution directing revival of the corporation became a law thru its passage by the house over the president's veto.

The vote in the house to pass the resolution over the president's veto was nearly as ample as that cast yesterday in the senate. The house stood 250 for the measure against 66 for upholding the veto, or 37 more than the required two thirds majority. Seventeen Democrats voted to sustain the veto while for its passage there were 325 Republicans, 114 Democrats and one Prohibitionist.

**Must Make Appointments**  
Treasury department officials in further discussing adoption of the resolution, while the corporation would prepare to function immediately as a result of the action of congress, President Wilson would be required to appoint one of two new directors before anything much could be done.

The board of directors is composed of five members and officials explained that a majority is required by law to approve the application for a loan. While the present board membership constitutes a quorum officials asserted Secretary Houston, who is ex-officio chairman would not be able to devote his time exclusively to corporation matters as the investigation of the adequacy of securities would require it. The other two directors, A. W. McLean, who now is managing director and George R. Cooke, officials, said this would be unable to act upon applications for loans.

**Senate Must Confirm**  
Presidential nominations to the board require confirmation of the senate majority and the question also arose as to whether the Republicans of the senate would permit in such cases from the policy of confirming no nominations at this session.

Finance corporation officials stated that in any event it probably would be two months before the first advance could be approved. Funds for making the loans must be raised officials explained, and the methods of providing this money determined upon. The corporation has a balance of about \$375,000,000 with the treasury, but Secretary Houston has taken the stand that this money should not be used for making advances to private concerns.

## SHEA WAS FORMERLY DETECTIVE SERGEANT

This Information Given Out By  
Former Partner—Was Member  
of Strong Arm Squad in  
New York City.

(By The Associated Press)  
New York, Jan. 4.—James Shea who with John Costello was arrested in Chicago in connection with an alleged nationwide whisky ring was formerly a detective sergeant in the New York police department, his recent partner, Francis J. Farley, a private detective stated today. Farley who said that their partnership had been severed several weeks ago said that no search had been made of Shea's offices in accordance with the request of the Chicago authorities. He declared that he would welcome an examination of his books.

Farley said that Shea was a detective sergeant for twelve years and during the police administration of Arthur Woods he was a member of the "strong arm squad" and was well known along Broadway.

**BANKER TAKES OWN LIFE**  
Muskogee, Okla., Jan. 4.—A. O. Johnson, 38 years old, president of the Commercial National Bank of Checotah, was found dead in a room of his home at Checotah late today according to his wife. She said that, hearing a revolver shot she ran up stairs to find her husband dead with a bullet hole in his right temple.

**GRANTED CHARTER**  
Springfield, Ill., Jan. 4.—Charters of the Stedeh and Judd company of Decatur and the J. W. Cole company of Rockford were dissolved at the secretary of state's office today.

## BALLOONISTS FORCED TO EAT CARRIER PIGEONS

Suffered Great Hardships in  
the Canadian  
Woods

### GUIDED BY INDIAN TO SAFETY

(By The Associated Press)  
COCORANE, Ont., Jan. 4.—First details of the experiences of the three American naval balloonists who suffered unusual hardships while wandering for four days in the dense Canadian woods, and were forced to eat their carrier pigeons to subsist were received here today from the Anglican Minister at Moose Factory, the Hudson Bay company's trading post where they found shelter.

The minister reported that the balloonists who left the Rockaway, N. Y., naval station at 11:15 P. M., December 15, landed 112 miles north of the Moose Factory. In the afternoon of the next day, they thought they were still in New York state having been in the clouds most of the time since leaving Rockaway.

They came down, the minister said because they thought they heard a dog barking. They were lost in the deep undergrowth of the region for the next two days and had about given up hope of ever reaching civilization.

Fortunately on December 17 they came to the Moose River and found tracks of human feet thru the deeply packed snow. Later they caught up with an Indian, Tom Marks, who was out hunting. One of the three aviators was using a suit of underwear as an outer garment and the other two were in uniform. Marks, taken by surprise by such a meeting in the desolate section of the country is reported to have at first resisted their efforts to fraternize with him. Eventually, they succeeded in convincing him that they meant no harm and he guided them to the Moose Factory trading post.

Absence of severe frost during the time of their wandering in the forests undoubtedly saved them from perishing. They had eaten two of their pigeons when they arrived at Moose Factory where they were cared for by inhabitants of the trading post and soon recovered from their privations and hardships. The eating of the pigeons apparently explains the mystery of why the men had not communicated with the outside world after leaving Rockaway.

## OFFICER OF RAILWAY TRAINMEN CALLS ON PRESIDENT-ELECT

W. N. Doak Discusses the  
General Problems of  
Railways

### CROSSCUP ALSO IS A CALLER

(By The Associated Press)  
MARION, O., Jan. 4.—W. N. Doak, vice president of the Brotherhood of Railway Trainmen came to Marion today at the request of President-elect Harding and discussed with him the general problem of railways and railway labor. Doak, who is a well known speaker, was here for a day and night. He was expected to return later for a more exhaustive discussion of certain subjects taken up today in a preliminary way. He expressed the opinion that Mr. Harding's attitude toward labor was a sympathetic one and that railway labor questions would not be found difficult under the next administration.

Special significance was attached to the conference because of Mr. Harding's utterances during the campaign in support of the Esch-Cummins Railway law which many leaders of railway employees opposed. Mr. Doak, who is president-elect but said there was no discussion of possible selection for secretary of labor and no detailed change of opinion on open and closed shop questions.

Another of those who saw Senator Harding during the day was Peter S. Grosscup of Chicago formerly a judge of the federal court of appeals. He gave his opinion on both national and international questions making detailed suggestions for reorganization of the executive department at Washington and for creation of an effective world court.

Laying aside temporarily the problems that have held his attention almost uninterruptedly for the past month, the president-elect will motor to Columbia tomorrow to be raised to a Thirty Second Degree Mason. He will be given all the degrees above the fourth and the ceremony, which will include presentation of a diamond fraternity ring by the Masons of Marion, is expected to occupy the entire day.

**NEBRASKA DEFEATS  
ILLINOIS WESLEYAN**  
Bloomington, Ill., Jan. 4.—The University of Nebraska basketball team defeated the Illinois Wesleyan University five here tonight by a score of 30 to 17.

## TOBACCO GROWERS MAY STORE CROPS FOR HIGHER PRICES

### Lexington Market, the Largest in World, Closes for Day

#### GROWERS NOT IN GOOD TEMPER

(By The Associated Press)  
LEXINGTON, Ky., Jan. 4.—Dissatisfaction over prevailing prices caused farmers to haul their tobacco away from warehouses and store it in their barns today and nearly every market of importance closed for at least one week. The situation in the Central Kentucky tobacco region tonight was a state of uncertainty.

Just what will happen no one would venture to forecast, but growers, buyers and others interested in the crop, indicated they were ready for anything.

Principal developments of the day were:  
The Lexington Loose Leaf Market, the largest in the world closed an hour after the opening this morning with the announcement that it would re-open tomorrow.

The tobacco warehousemen's association thru Ben Bosworth supervisor of sales this afternoon announced that the local market would not re-open until Tuesday, January 11, at the earliest.

Delegations from various important markets in the district visited the Burley Tobacco Growers' association office here and announced that other places would follow the lead of Lexington.

**Will Hold Crops**  
Farmers' mass meetings in some counties decided to hold the 1920 crop and cut the 1921 crops. Farmers began hauling their tobacco out of the Lexington warehouses in which they were about 7,000,000 pounds when the sales started yesterday morning.

Buyers of tobacco were threatened by irate growers at Carlisle. Bankers and warehousemen are to meet here Friday to decide on houses in which they want to sell.

A mass meeting of tobacco growers from all parts of the Burley district called for Friday, Jan. 7, at Lexington for the purpose of providing ways and means of handling the 1920 crop and to arrange for curtailing the 1921 crop.

Monday the Lexington market opened Monday with growers from all parts of the state watching the sales to get a line on prices to be paid. No action was taken toward stopping the sales pending opening of the other important markets as growers said they hoped that indications will be for higher prices.

The temper of growers, however, was none too good this morning and when prices offered were even lower than yesterday the Lexington market was closed. Soon afterward other markets closed, reports being that cessation of trading at Carlisle and Mayville was due to the threatening attitude of growers towards buyers.

## WOMAN CONFESSES TO KILLING MAN

Told Police She Shot Frank Miller After He Struck Her—Victim Was Tried in 1914 for Murder of Missouri Stockman.

(By The Associated Press)  
NAUKAT, Jan. 4.—Insisting that she killed Frank Miller in her room at a local hotel last Sunday night, hid the body under her bed and then forgot all about it until she moved the bed today to sweep, Lillian McGill, 29 years old was being held by the police tonight for investigation.

According to the authorities she appeared at police headquarters today and told her story, later going with policemen to the room where the body was found as she described. She said she and Miller had quarreled and that when he struck her she shot him three times. The woman said she had been in a dazed condition since the killing. The police tonight said that Miller in 1913 was charged with the murder of a Missouri stockman, but the charge later was dismissed.

**MISSOURI SENATE  
PERFECTS ORGANIZATION**  
Jefferson City, Mo., Jan. 4.—Organization of the senate for the fifty first general assembly of Missouri was perfected tonight at a caucus held in the chamber in the state capitol. Howard Gray, of Carthage, Jasper county was selected as president pro tem and A. S. Zelwager of Springfield was selected for clerk.

**INVESTIGATING HIGH  
PRICES OF COAL**  
St. Louis, S. D., Jan. 4.—Investigation into the high prices of coal in Sioux Falls and South-eastern South Dakota was begun today by the special grand jury called by Judge James D. Elliott in United States district court. Nineteen men comprise the jury.

## Action of Italy Not Regarded Favorably

(By The Associated Press)  
WASHINGTON, Jan. 4.—The announcement by the Italian government that it will refrain from issuing passports to subjects wishing to emigrate to the United States until informed as to the classes of immigrants desired in this country was characterized tonight by Chairman Johnson of the house immigration committee, as a "sort of proposal for another gentlemen's agreement." He added that in his opinion the United States had had enough of such agreements.

"Further when peace is declared," said Mr. Johnson in a formal statement, "our war based immigration committee is attending the hearings, and not long ago appealed to me that the proposed suspension be not made effective for six months, in order that Italians who are now making ready to leave that country for the United States may be permitted to do so. He tells me that 75,000 nationals of Italy are now waiting for ships on which to leave their ports."

## PACKERS WARNED COURT WILL TAKE CHARGE OF YARDS SUPREME COURT

### Plan Must Provide Early Divestment of Properties

#### PLANS SUBMITTED NOT SATISFACTORY

(By The Associated Press)  
WASHINGTON, Jan. 4.—All proposals thus far advanced by the "big five" meat packers for divesting themselves of their stock yard interests were rejected today by Justice Stafford in the district supreme court. The companies were given 30 days in which to submit new plans.

At the same time the court warned that unless the defendants proposed plans that would meet requirements outlined, it would feel obliged to appoint officers to take title to all the stock (of the stock yards) in question and to hold the same subject to the order of the court until suitable agreements can be made to have it disposed of in accordance with the terms and purposes of the decree, agreed upon between the packers and the government more than a year ago.

In a formal statement regarding the court's decision the department of justice interpreted this as meaning "that if the packers did not divorce themselves from the stock yards the court would do it for them."

**Cannot Approve Plan**  
Justice Stafford said that to facilitate future progress it is considered best to state here that the court cannot see its way clear to approve any plan for the consolidation of the yards whether by a holding company or otherwise.

Such a plan, submitted by Swift, Armour, the government opposed. "Any plan to be acceptable," continued Justice Stafford's opinion, "must provide for an early and complete divestment by the defendants of all the obnoxious holdings. If any delay is to be allowed in the actual divestment under the plans that may be proposed, such plans must provide for complete control by the court in the meantime of all such stocks and must leave the matter in the hands of the court in such wise that the plan may be terminated at any time if the court shall determine that the defendants are not proceeding thereunder with promptness and vigor. Because of the 'peculiar circumstances' at the Crescent City, Illinois, stock yards, the court allowed six months for the filing of a plan for disposing of those yards.

## AUTO FACTORIES REDUCE FORCES

(By The Associated Press)  
DETROIT, Mich., Jan. 4.—"Despite the fact that several Detroit automobile plants reopened yesterday after inventory, they did so with vastly decreased forces and 100,000 fewer men are employed here now than were the case a few months ago," George W. Grant, secretary of the Employers' association of Detroit said today. "A net increase of only 1,000 men have been added to the working forces of the factories in the past few days," he added. Mr. Grant said that surveys conducted today showed only about 50,000 automobiles being employed in Detroit at present. In normal times the number employed here is about 300,000. Mr. Grant asserted, the closing of the Ford and Dodge factories have swelled the number of unemployed during the past two weeks, Mr. Grant said.

## THOUSAND OF ACTORS STRANDED

(By The Associated Press)  
NEW YORK, Jan. 4.—Five thousand actors and actresses are unemployed in this city and many others are stranded at distant points, victims of widespread failure or road companies during the past year. This statement was made today by the Actors' Equity association, which announced it had undertaken the task of succoring the unfortunate stage folk, especially those thrown on their own resources in other cities. The greater proportion of road failures, the association asserted was due to irresponsible managers who entered the profession during the war, when the financing of theatrical projects was comparatively easy. From September 1919, to the end of 1920, more than thirty companies failed on the road, the statement said.

## OMAHA OFFICERS CAPTURE MOONSHINE

Omaha, Neb., Jan. 4.—What was said to be one of the largest liquor raids in Nebraska was made by the sheriff's force when they seized six stills, 100 gallons of raisin whiskey and 600 gallons of mash at a house and barn in East Omaha, according to a report from there today. A representative of the sheriff's office expressed the belief the place raided supplied much of the wholesale moonshine for Omaha. Four arrests were made.

## CHICAGO MAN IS SELECTED SPEAKER BY REPUBLICANS

### Searcy is Chosen for Temporary Speaker

#### EMMERSON TO PRE- SIDE IN HOUSE

(By The Associated Press)  
SPRINGFIELD, Ill., Jan. 4.—Election of Gotthard A. Dahlberg of Chicago as speaker of the house of representatives tomorrow was assured tonight when William F. Holaday, of Georgetown withdrew from the race and the entire vote of the Republican caucus was registered for the Chicago candidate.

Dahlberg who was placed in nomination by C. B. Sawyer of Kanakake was the only candidate presented and was selected by acclamation. The business of the caucus was unanimous until the selection of postmistress of the house when Miss Eva Young of Marion was selected over Miss Millie Roberts of Metropolis by a vote of 54 to 40.

Former Speaker David Shannahan of Chicago was elected chairman and A. Odie Arnold of Quincy, secretary of the caucus. Searcy Temporary Speaker

After the house Republicans had selected Dahlberg for speaker, Representative Earl Searcy, an ex-soldier of Springfield, was named as temporary speaker.

Bert McCann of Bloomington, clerk of the house for several sessions, will be re-elected tomorrow as a result of tonight's caucus. Will Haynes of Belvidere was elected for doorkeeper. Following his selection Representative Dahlberg in a short talk thanked his colleagues for the honor, promised a square deal and a roll call on every measure and consistent support to the administration.

When Chairman Frank L. Smith of the state committee called the caucus at 8 o'clock tonight there was little doubt over what the outcome on the speakership would be.

Developments during the day clearly indicated the selection of the Chicago man. Representative Searcy will preside as temporary speaker long enough to call for the nomination, declare the election of Mr. Dahlberg, and turn the gavel over to the new speaker.

Senate Republicans tonight put off caucusing until 10:30 a. m. tomorrow on president pro tem and secretary after naming Miss Sallie Perkins of Springfield senate postmistress and T. B. Scouten as messenger. There are three candidates contesting for president pro tem—John D. Burnham of Mount Carroll; Harold Kessinger of Aurora, and William S. Jewell of Lewistown. James H. Padgett, veteran secretary of the senate, is opposed by Abner G. Murray of Springfield and Jacob Hill of Decatur.

## BUSINESS FAILURES THRUOUT COUNTRY SHOW BIG INCREASE

Two Thousand More Than  
in the Year of  
1919

#### INVOLVE NEARLY \$300,000,000

(By The Associated Press)  
NEW YORK, Jan. 4.—R. G. Dun & Company's record of failures for 1920, made public today, showed 8,881 commercial failures in the United States with \$295,121,805 in indebtedness, against 6,451 failures in 1919 involving liabilities of \$113,291,237.

"Separated according to occupation the 1920 insolvency statement reveals increases both manufacturing and otherwise in manufacturing, trading and commercial branches as compared with the returns of 1919," the report said. The class designated as "other commercial" which embraced defaults that cannot be properly included in either manufacturing or trading shows 714 reverses for \$78,570,987. It thus appears that relatively the most unsatisfactory commercial exhibit is made by the manufacturing division.

**Increase in Business Mortality**  
"Geographical analysis of the past year's statistics of failures shows a countrywide trend toward increase in the business mortality. The year's insolvencies are 18.9 per cent larger in the central belt which increases of 57.3, 16.2 and 27.0 per cent respectively are reported by the central western, western and Pacific states.

"In respect of the liabilities, heavier amounts appear in each of the eight geographical divisions there being an increase of 238.9 per cent in the central west and 125.4 per cent in the western states."

## HICOGH GRIP HITS OSKOSH, WIS.

Oskosh, Wis., Jan. 4.—An epidemic of "hiccough grip" is prevailing here. One physician has had ten cases recently and one is attending six cases now. Other doctors also have patients afflicted with the same malady. Rev. D. G. Parry, pastor of the Welsh Presbyterian church strated to hiccough early last Saturday morning and efforts to stop the violent paroxysms have thus far failed.

## LORD MAYOR OF CORK ARRIVES HERE AS A STOWAWAY

Is Accompanied by Brother  
of the Late Mayor  
MacSwiney

### AMERICAN CONSUL VISES PASSPORT

(By The Associated Press)  
NEWPORT NEWS, Va., Jan. 4.—Two men who identified themselves as Peter J. MacSwiney, brother of the late lord mayor of Cork and Daniel O'Callaghan, present lord mayor of Cork, arrived in Newport News tonight as stowaways on the American Steamship West Cannon from an Irish port. MacSwiney carried a passport vised by an American consul.

Daniel O'Callaghan as deputy lord mayor of Cork performed the duties of Lord Mayor MacSwiney while the latter was in prison in London. Shortly after MacSwiney's death, his hunger strike late in October, O'Callaghan was elected lord mayor to succeed him.

Recently the lord mayor sent a cablegram to the Irish American of the United States urging them to organize a relief fund for Ireland. He also appealed to the American Red Cross to send a contingent to Cork speedily to aid the sufferers from the Cork fires. O'Callaghan presided at a special meeting of the city council on Dec. 13, at which resolutions giving the Cork officials' views with regard to the proposed truce between England and Ireland, were adopted. These resolutions concluded by saying:

"We proclaim our unflinching determination to seek or sanction no truce save such international agreement as may be arranged between the Dail Eireann and the English government."

Washington, Jan. 4.—Neither Peter J. MacSwiney of New York, brother of the late Lord Mayor of Cork, nor Daniel O'Callaghan, the present lord mayor of Cork who arrived at Newport News tonight from an Irish port as stowaways, have been requested to appear before the commission from the committee of one hundred investigating the Irish question. Dr. Frederic Howe of the commission said tonight, Mr. Howe said that the only knowledge he had had that either might be contemplating coming to this country was contained in a recent dispatch from England to the effect that an American consul had vised a passport for MacSwiney.

**Wanted Information**  
Minister Céspedes made it clear that his main purpose in calling on Secretary Davis was to obtain more information regarding the sending of an American to Cuba on a mission of the nature of General Crowder but it is understood that in his discussion of the matter with Mr. Davis he did not attempt to conceal his apprehension that the action would be construed as a step preliminary to intervention.

He was assured that neither intervention more than supervision effective elections was contemplated, but it was made plain to him that the United States considered the economic, political and financial situations had reached the point in Cuba where the United States regarded the whole situation as one warranting the friendly offer of assistance.

President Menocal's term of office expires May 20. There appears now a probability that unless special steps are taken the official selection of his successor will not be determined by that time, and it was asserted that in that event a situation would be created that would prove exceedingly embarrassing for both governments. The congestion of freight on the docks at Havana, the extension of the moratorium and the demand for money with which to finance the sugar crop have resulted, it was explained here today, in making the Cuban situation one of unusual interest for American business concerns.

Secretary Davis is understood to have pointed out to the minister after citing to him the difficulties that have developed that back of it all is the political tangle which the United States government believes General Crowder will be able to untangle.

## STUMBLING BLOCKS RISE IN PATHWAY OF TARIFF MEASURE

### Chief One is Decision of the Senate Finance Committee

#### PENROSE PRESIDES OVER MEETING

(By The Associated Press)  
WASHINGTON, Jan. 5.—Stumbling blocks which the Fordney emergency tariff bill has encountered since reaching the senate continued today to rise up in its pathway. The chief of these appeared in the decision of the senate finance committee in a stormy executive session to hold hearings on the measure.

Advocates of the tariff measure believed and opponents hoped, the committee's action would mean the death of the bill. The projected hearings will begin Thursday and continue until next Tuesday and will be followed by decision of the committee today by hearings on the soldier compensation bill. The finance committee meeting today was the first over which Senator Penrose, its chairman, had presided in more than thirteen months.

**Will Be Reported.**  
Senator Penrose after the meeting issued a statement in which he said that the soldier bonus and tariff measures, "undoubtedly would be reported to the senate." He declined, however, to offer a prediction as to what action would be taken in the senate but opponents of the tariff bill were confident it would never become a law.

One of the first of the many expected efforts to change rates carried into the house bill was indicated during the day in the presentation in the senate by Senator Spencer, Republican, Missouri, of a substitute for house tariffs on zinc and zinc products. The substitute would place import duties of 1 1/2 cents a pound on zinc ores containing under 25 per cent of metal, two cents per pound on ores containing more than 25 per cent zinc, two cents on zinc in blocks, pigs or other bulky forms, and 2 1/2 cents on zinc sheets.

## MINISTER ASKS INFORMATION AS TO CROWDER VISIT

Is Told Conditions  
Warrant U. S. Assistance

### FREIGHT CONGESTION AT HAVANA DOCKS

(By The Associated Press)  
WASHINGTON, Jan. 4.—The minister Dr. Carlos Manuel de Céspedes, was said to have entered "no" protest from his government against the sending of Major General Crowder to confer with President Menocal relative to the general situation in the island republic.

The minister after a call however, expressed some slight objection to the action of the American government declaring that neither his attitude nor that of his government as set forth in a recent statement by him had been altered. In his statement the minister had asserted there were no grounds for the supervision of elections.

Secretary Davis discussed with President Wilson the Cuban situation and what the mission of Gen. Crowder is expected to accomplish in Cuba, adding that he had confidence in the ability of the Cuban authorities and General Crowder to work out a satisfactory solution of the present financial and political difficulties.

**Wanted Information**  
Minister Céspedes made it clear that his main purpose in calling on Secretary Davis was to obtain more information regarding the sending of an American to Cuba on a mission of the nature of General Crowder but it is understood that in his discussion of the matter with Mr. Davis he did not attempt to conceal his apprehension that the action would be construed as a step preliminary to intervention.

He was assured that neither intervention more than supervision effective elections was contemplated, but it was made plain to him that the United States considered the economic, political and financial situations had reached the point in Cuba where the United States regarded the whole situation as one warranting the friendly offer of assistance.

President Menocal's term of office expires May 20. There appears now a probability that unless special steps are taken the official selection of his successor will not be determined by that time, and it was asserted that in that event a situation would be created that would prove exceedingly embarrassing for both governments. The congestion of freight on the docks at Havana, the extension of the moratorium and the demand for money with which to finance the sugar crop have resulted, it was explained here today, in making the Cuban situation one of unusual interest for American business concerns.

Secretary Davis is understood to have pointed out to the minister after citing to him the difficulties that have developed that back of it all is the political tangle which the United States government believes General Crowder will be able to untangle.

The congestion of freight on the docks at Havana, the extension of the moratorium and the demand for money with which to finance the sugar crop have resulted, it was explained here today, in making the Cuban situation one of unusual interest for American business concerns.

## HUSBAND WON'T JOIN CHURCH; WIFE STARVES

Says, She Will Refuse Nourishment Until He Joins Her Church.

Danville, Ill., Jan. 4.—Mrs. Ernest S. Harrington has fasted 37 days, and declared she will continue to abstain from taking nourishment until her husband joins the Church of God of which she is a member.

"I do not believe in her kind of religion and besides I am not ready to join church," said the husband today. He added that his wife had been offered food every day since her fast began but she refuses to eat.

She is steadily growing weaker and a doctor who visited her today said she was rapidly starving to death.

## MISKE WILL MEET EDDIE MCGOORTY

Benton, Harbor, Mich., Jan. 4.—Floyd Fitzsimmons, fight promoter announced tonight that he had arranged a bout between Billy Miske of St. Paul and Eddie McGoorty of Oskosh to be held the night of January 13 at Grand Rapids.

## WEATHER INDICATIONS AND TEMPERATURES

Illinois—Fair Wednesday and probably Thursday, cooler Wednesday.

If other foreign countries would only imitate the action of the Italian government the immigration problem of the U. S. would automatically take care of itself. Italy has made a ruling that no citizen of that country shall be permitted to migrate to the U. S. for a period of months.

Ex-Governor Smith of New York has already entered business and declares that he will never again be a candidate for a political office. Perhaps this determination has come about because of his great thankfulness that he did not win the Democratic nomination for the presidency at the San Francisco convention.

The city council of Chicago seems convinced that the high cost of living question has practically been solved by the falling markets of recent weeks. At any rate, the council declined to make an appropriation for the cost of living commission the coming year, and the name of the director of the department will no longer appear on the pay roll.

How absolutely party lines are broken down in the consideration of some measures was shown by

the vote in the senate overriding the president's veto on the farmers' relief bill. By a vote of 55 to 3 the senate passed the measure over the president's veto. The spectacle of an executive able to summon only three senators to his support is just about without precedent.

No house to house canvass is to be made in Jacksonville for the famine relief fund. Nevertheless, all who are willing to aid the unfortunate children of central Europe and the Near East are to have the opportunity of doing so. The conditions over there as described by Herbert Hoover and others are appalling and a thorough understanding of those conditions is likely to result in a generous response to the appeal.

In an eastern city they are proposing that sales of milk and some other necessities shall be considered as public utilities. The people of the city of Jamestown, N. Y., some time ago authorized the issuance of bonds for the building and operation of a municipal milk plant. It has been successfully carried on with the resulting prices much lower than they had been before. However, the idea is not likely to be widely copied as most states already have trouble enough in the management of the utilities already recognized as such.

## MR. ARMOUR AND HIS OPINION OF NEWSPAPERS.

J. Ogden Armour recently wrote for a magazine his opinion of newspapers. Among other things he said:

"Now I recognize that in almost any case what are the exact facts—the real truth—is almost impossible to get at. It would require reporters and editors of superhuman attainments to present the facts. The truth, the ultimate conclusion, is not something that we can ask for and expect to get in this world. It is well known that perfectly honest and sincere eye-witnesses of an event will, in a court of law, give diametrically opposed accounts of that event. Therefore, if three different reporters view a single occurrence, and all three are wholly honest, it is possible there will be three accounts of that event that will vary not only in detail but also fundamentally.

"When, in the trial of a case, the witnesses on one side all exactly agree, it is not amiss to wonder if some of them are committing perjury—that they are telling not what they saw, but what they were told to say. In the hurry of the news from day

to day we cannot expect accounts of absolute accuracy. And to determine what is absolute accuracy the human element again enters. I do not recall that the exact facts have as yet been ascertained on any event in history. Every period in history, every character in history, is a subject for somebody to write about. These true facts commonly found their way into being somewhat different from any other facts previously given.

Commenting on this the New York Times declares: "In other words, newspapers as a rule can best serve the cause of 'truth' by printing such accounts and opinions as they can get from credible sources and leaving it to the reader to exercise such intelligence as he may possess in judging them. No doubt there are many cases in which leisurely investigation and verification would materially alter news articles. But a daily paper cannot well take three months for research work before printing anything about an event of importance, it has to give the best it can get as soon as it can get it. A newspaper cannot establish even prolonged inquiry an orthodox and unalterable version of the 'true facts.' News at its best is the more or less accurate testimony of witnesses, impartially reported."

## Rippling Rhymes By Walt Mason

### THE PEPTIMIST

The peptimist is one who works with most exceeding vim, and sets example to the shirks who may keep tab on him. So many men, with dragging feet, go to their tasks each day; with frowns they shuck the ears of wheat and thrash the bales of hay. With scowls they ply the shining saw or wield the useful churn; they're only happy when they draw the pay they think they earn. And when there is a slump in trade, and workmen must be fired, these delegates are first to fade they've made the bosses tired. The peptimist has taken pride in labors safe and sane, whatever toil he may have piled, a corkscrew or a plane. He did not go with dragging step when morning whistles blew, in every motion there was pep, no sulky fits he threw. And when a slump in trade appears, and workmen are laid off, the boss announces, thru his tears, "We'll keep this hustling toff. We can't afford to let him go, he's such a useful man; we'll keep him, though to Tom and Joe we must attach the claim." The peptimist is in demand wherever commerce dwells; he makes his progress thru the land, and wears his string of bells.

### MATRIMONIAL

Word has been received in the city announcing the marriage of David A. Smith and Jeanette Miller in Oak Grove, Oregon. The wedding occurred on Christmas day and the young people plan to remain in the west for the present but expect to make Jacksonville their future home. Both of the young people were former residents of this city and have many friends who will wish them the greatest happiness in their married life.

### LIVESTOCK SHIPMENTS

MADE FROM WOODSON  
J. W. McAllister of Woodson on Tuesday shipped a carload of butcher stuff to the St. Louis market. Samuel and Fred Henry shipped a carload of hogs to the same market yesterday.

## FORD CARS NOW SELLING BELOW COST

The following letter of general interest to the public, has just been received by the Lukeman Motor Co., of Jacksonville, from the Ford Motor Co. "Several inquiries have recently come to us concerning the likelihood of another reduction in the price of our cars, and as these inquiries no doubt emanate from prospective purchasers, we want to state again with greater emphasis that Ford cars are already being sold at a figure actually below cost and for an indefinite period another reduction or change in design is entirely out of the question and not at all contemplated.

"We believe the public will be fair enough to fully appreciate the frankness of the above when they consider the extent of our recent price cut which was in fact the equivalent of several reductions in one, in our desire to contribute toward satisfying their demands for lower living cost notwithstanding our sacrifice in marketing our cars at a loss until we are able to materially reduce present costs thru lower material prices and greater manufacturing efficiency. While we have of course made some progress in bringing down operating costs, we still have a long way to go before any thought can be given to further reductions in present car prices, so we have no hesitancy in making these open statements to acquaint you with the true situation.

"You can therefore give assurance to prospective purchasers of Ford cars that now is their real opportunity to buy below cost and obtain delivery. Every one is familiar with the heavy demand for Ford cars in the spring and this year will be no exception, as in spite of conditions, business is already rapidly accumulating, so that many who desire Ford cars will be obliged to wait perhaps until mid-summer for delivery causing considerable inconvenience and possibly financial loss, particularly to commercial customers.

"We expect you to protect the interests of prospective buyers in your community by placing these facts before them."

## REVIVAL SERVICES GROWING IN INTEREST

Meetings in Progress at Northminster Church Well Attended Nightly—Meeting for Children Held Tuesday Afternoon—Springfield Minister Speaks.

There was a very good attendance at Northminster church Tuesday evening, and the revival series in progress there is growing in interest. The large choir, under the direction of Mr. Smith is showing a most gratifying improvement, and their contribution to the success of the meetings is large.

Tuesday afternoon there was a meeting for children, attended by over 600. This meeting was held under the direction of Mr. Smith and was for the purpose of organizing a "Do Right" chorus. Mr. Smith made a brief talk to the children and the task of organizing the chorus is already well under way.

It was announced that there will be another children's meeting Thursday afternoon at four o'clock, and parents were urged to see that their children attend. The theme for Thursday night will be "Girls Meaner Than Boys" and on Friday night, "Three Degrees of Religion." Saturday there will be a young people's meeting.

Preceding the sermon Tuesday night Rev. A. A. Todd, pastor of First Baptist church, offered a prayer. The sermon was delivered by Rev. C. H. M. Graves, pastor of Christian church at Springfield and was based on the story of Christ before Pilate.

A few paragraphs from Mr. Graves' discourse are presented herewith: "Perhaps there is someone in this city who has the finger of scorn pointed at him, and needs some one to plead for him. Are all Christians of Jacksonville doing their part and preparing to meet the Judge? The danger we face now is greater than that of two or three years ago. Then we were in the toils of a world war, but now we are engaged in a war against wickedness.

"Christians, your religion is on trial now more than ever before. The world is becoming spiritually inclined. You have your chance between God and the devil. You have seen that Pilate's choice was wrong. See that yours is right. You and I are Pilates, and before us stands Christ. Shall we accept Him and righteousness or shall we reject Him for Satan?"

## Deaths

### Dufelmeier.

Mrs. Fred Dufelmeier died at her home in Arenzville Monday at 12:30 p. m. The deceased had been in failing health for the past year. She is survived by her husband and one daughter, Ella Dufelmeier. Funeral services will be held Thursday afternoon at 1:30 from St. Peter's Lutheran church in charge of Rev. Mr. Garten. Interment will be made in St. Peter's cemetery.

### Irwin

The remains of Mrs. Sarah A. Irwin arrived in the city Tuesday and were taken to the funeral parlors of Williamson and Son. Mrs. Irwin was a resident of Searcy, Arkansas, but was formerly a resident of Jacksonville, being the widow of Edwin Irwin. Mr. and Mrs. Irwin were members of Congregational church of this city. The remains were accompanied by A. H. Irwin, son of the deceased. Funeral services will be held from the parlors this morning in charge of the Rev. W. E. Collins with burial in Diamond Grove cemetery.

## OLD JACKSONVILLE

SOME MECHANICS

By Ensley Moore

(Member Illinois State Historical Society)

Few people sense the debt of gratitude communities owe to their capable and honest mechanics. In the pioneer days, and, perhaps, even down to the close of the Civil War, our mechanics had learned their trades almost entirely as workers by hand. Machinery had not then filled so many needs and piece work had not reduced the worker's interest in doing good and honest work. There are people, now-a-days who esteem mechanics lightly, but these are short-sighted and ignoble, for no good or fine or careful work is to be underrated. The early day mechanics of Jacksonville were among our best and most valuable citizens, and deserve credit accordingly—Some of them have already been referred to in these sketches. Among them was

### Capt. John Henry.

He was a cabinet maker by trade, and in his shop the first 4th of July ever celebrated here was arranged for. Mr. Henry was a member of the legislature in 1835, when he introduced a bill prepared by Judge James Berdan incorporating Jacksonville Female Academy, and the bill was passed, giving this town the first school for the higher education of women, west of Ohio. He was in "the House" as early as 1832—when Jacksonville was a seven-year-old. Henry was continued in the lower house in '38 and '40, and, in '42 became a state senator. He also belonged to our famous Fire company organized in 1840. Senator Henry had charge of the bill which established our Hospital for the Insane. He was afterward elected to a vacant seat in Congress.

Henry came here about 1830, presumably from Kentucky, and, leaving here after the War, spent his last days in St. Louis.

Elmore T. Miller was born in Fayette county, Ky., in 1801, coming here June 1, 1827.

Mr. Miller established the first carding machine in this county July 1, 1827 on the present site of Prof. J. B. Turner's house, but was he a carpenter and builder. Mr. Miller was post-master under the east side of South street, also a farmer for a time. He was a Trustee of the Academy, efficient and active in its erection. He built the large house in W. Court street near Church, for his residence, and it housed the Academy school for a while. He last had a large house over in the Third Ward, on Clay avenue or East St. He was one of the organizers of Trinity Episcopal church, its designer, and a vestryman in it. He died in 1883.

B. F. Gass, who came here in 1833, was another prominent builder. He was a member of Centenary church. He served in the City Council, and supervised the erection of the original part of the Woman's College, the present Centenary church, and the present Morgan county Court House.

Speaking of Court Houses. The second one, built in 1830, in the southwest quarter of the Public Square, and taken down in 1870, had as builders: brick

and stone work, Garrison W. Berry and Henry Robley; finishing, putting in windows, Rice Dunbar and Henry Blanford; lathing and plastering, Henry Robley and Isham Dalton; painting, John Challon, and floors, James Hurst. And, no doubt, there were others on the job.

Some Firsts. The first carpenter it should have been said, was John Handy, and John Eads was the first blacksmith. George Hackett was the first tanner. "Mr. Bunnett" was a carpenter, John Buckingham a brick mason and plasterer, Harvey McClung a tanner, George Graves cabinet workman, John Savage carpenter, Edward Durant also, also David Tefft and Josiah Gorham, Jr., Jas. Buckingham a plasterer, Thos. Carson, Jr., brick mason, also John Carson, and James a cabinet workman, McHenry Johnson blacksmith, Emanuel Metcalf chair maker, "Mr. Grimsley" blacksmith, as was Wm. H. Broadwell, and Wm. Guy was a carriage and wagon maker, as was Samuel Cobb and John Hall was a good one! these all of the earlier artisans.

Silas Terry was among these, but he has been fully referred to previously. Another, later, carpenter and builder was Henry Wilson, who had the contract on the State St. church, which he sublet to

### Wood and Montgomery.

They built many well known houses or other edifices. One being the Third Ward school-house, now called the Franklin school.

Mr. Abram Wood was member of the city council for years, and a "big Mason" in fraternal matters. And he was a member of the Methodist church. Mr. Jas. L. Montgomery was of the same faith, and had also been a member of the City Council. He was the father of the late Harry L. Montgomery, ex-Superintendent of Schools and Supt. of the School for the Blind. Mr. Montgomery was also a Mason. He was a native of (now) West Virginia, and Mr. Wood of England. Wood and Montgomery had their shop on the east side of South street, between College street and Marion. In winter time, when mechanical employment was slack, this used to be a gathering place for "the unemployed," and the game of checkers was much played then; also the game of politics.

The recent death of S. Henry Thompson, who came here in 1840, as a brick mason, reminds the writer of how work was done in the Wood and Montgomery shop to make Mr. Thompson mayor of Jacksonville. He had previously been a member of the council.

In relation Mr. Thompson was a Methodist. He was a leading Mason, and wore one of those high hats with a white plume.

Charles H. Howard was a prominent Masonic contractor, latterly with Mr. Thompson, but he moved away; and the two partners are now gone to That bourne from which no traveller returns."

## ILLINOI LODGE NO. 4 HELD INSTALLATION

Officers are Inducted Into Office by Deputy Grand Master Allen—Petitions Voted Upon.

The recently elected officers of Illinois Lodge No. 4 I. O. F. were installed at the regular meeting Tuesday night. The work was in charge of R. C. Allen, Deputy Grand Master, assisted by the following:

Grand Marshall—T. S. Martin.  
Grand Warden—A. G. Cody.  
Grand Recording Secretary—P. G. Stein.  
Grand Financial Secretary—J. Marshall Miller.  
Grand Treasurer—E. Brasel.  
Grand Chaplain—John N. Deatherage.  
Grand Guardian—John McGlothlin.  
Grand Herald—Arthur Ellis.  
The officers are:  
Noble Grand—C. O. Bayha.  
Noble Grand—Frank Irving.  
Recording Secretary—Thomas Harber.  
Financial Secretary—A. E. Phillips.  
Treasurer—E. M. Dunlap.  
R. S. N. G.—John N. Deatherage.  
L. S. N. G.—Charles Montgomery.

Chaplain—Roy DeFrates.  
Warden—Ewen Hull.  
Conductor—Everett Mann.  
R. S. V. G.—Ira Patterson.  
L. S. V. G.—UpDeGraff.  
O. G.—George Muehlhausen.  
I. G.—A. F. Davis.  
R. S. S.—E. Brasel.  
L. S. S.—John McGlothlin.  
There was a large attendance of members and the reports showed the lodge to be in good condition financially. Several petitions were received and a number were voted upon at the meeting. A social hour followed the business session.

## FIREMEN'S CONVENTION TO BE HELD HERE

On January 11, 12 and 13 representatives of the Firemen's forces from nearly every Illinois city will meet in Jacksonville for the annual meeting of the Illinois Firemen's Association.

The committee in charge is working hard on the arrangements and the convention is bound to prove a success. An elaborate banquet is planned during the session and the local firemen are planning for this to be an unusually fine convention. Delegates from Chicago will come to the city in a special car.

Big double Program. Clean, snappy, original comedy. Buster gets a laugh where others only get a smile. Buster makes the voice with a smile, ring with laughter. Connect your smiles with Buster.

IT IS TIME YOU SAW

## Something Different

Are you just a bit tired of problem plays and eternal triangles and divorces? Would you like "something different" in moving pictures—something fresh and new—and, yes, romantic? Something that will entertain you and make you forget about the coal situation and the price of shoes? Then you must make sure you see SOMETHING DIFFERENT, with CONSTANCE BINNEY playing the romantic role of an American girl in a Central American revolution.

### Added Attraction—Buster Keaton in "The Scarecrow"

A surprise, a treat, a comedy riot. A merry-go-round of mirth! A whirling ride of joy! Top speed laughter! Rapid-fire roars! That's it now!

## Truck Sales Agency

We want a good live man or firm to represent us in the Jacksonville district covering the sale of a well known, nationally advertised standard line of trucks, successful sellers for eight years, averaging \$200 to \$300 less than competitive makes. Made in 1/2, 1, 1 1/2, 2 1/2, 4 ton sizes. Very little capital needed as we have made all arrangements to finance our dealers both in the carrying of sample trucks as well as handling paper taken in making retail sales. Truck experience not as necessary as selling ability and territory acquaintance. Address:

**E. M. N. 167 East Ontario St.**  
**CHICAGO, ILL.**

## not an electric

You will be amazed when you see how the *Vacutelle* picks up all the lint, threads, grit, etc., and how easy it is to operate; just as handy as an ordinary carpet sweeper.

has no wires or cords to bother with. It needs no electricity. Weighs only 7 pounds, has all the advantages of the electric cleaner, none of the disadvantages.

BE SURE TO SEE IT.

For Demonstration, call, phone or write W. H. Rice or R. E. Wyatt

Mr. Nichols plans to leave Thursday of this week, accompanied by his daughter, Miss Frances English, for Tombstone, Ariz., to spend several months.

Mr. and Mrs. W. D. Doying has returned from a holiday visit with their daughter in Memphis, Tenn.

**WELL KNOWN GROCER RE-ENTERS BUSINESS HERE**

L. A. Barnhart, well known grocer of this city, will open a new store at 468 South Main street. He recently sold the house built by him in South Jacksonville and the store so long operated by him at the corner of West College avenue and South Main and had thought to go, with his family, to California for the winter and possibly permanently. But reports from there seemed to cause Mr. Barnhart to think that Jacksonville was a pretty good place after all. So he purchased from Mrs. Grassly the house and lot at 1246 South Main which he will move into soon and will have his new store in operation within a week.

**AT THE RECRUITING OFFICE**

Sergeant Max Brandelstein, who has been serving with ability in the local recruiting office, has been transferred to the Cairo office. Sergeant Bob Choate is now in charge of the local office and will probably be given an assistant at an early date.

## K. C. TEAM WILL PLAY CHANDLERVILLE FIVE

Meet East Cass County Team at Liberty Hall Friday Night—Visitors Have Strong Lineup.

The Knights of Columbus basketball team will meet the fast Chandlerville five at Liberty hall Friday night.

Last year the Chandlerville team played two games here, one of them resulting in score of 28 to 18 in favor of the Knights. Chandlerville has practically the same lineup as last year.

The Knights have been practicing steadily and will work hard the remainder of the week to get in shape for Friday night's contest. The game will be called at 8 o'clock.

The Knights lineup will be selected from the following players, Clancy, Flynn, Carson, Cain, Woulfe, Hamilton, Mays, Hosp and Costello.

## EUCHRE PARTY

Given by Trades and Labor Assembly at Woodman hall Thursday night, Jan. 6. Admission 40c, which includes war tax. Refreshments. Everybody welcome.

## SUNDAY SCHOOL OFFICERS AT GRACE

Board Met Tuesday Night and Selected Heads for Department Thru the Year.

The Sunday school board of Grace M. E. church Sunday school held an annual meeting at the church Tuesday night at 7:30 o'clock. Various matters relating to the Sunday school were given consideration and then the election of officers was held. The nominating committee included C. E. Williamson, W. E. Hall, Mrs. C. E. Baxter, Mr. Amelia Noholt, H. P. Mohr, Dr. J. A. Ogram and Leroy Potter. They reported the following who were unanimously elected:

Superintendent—T. V. Hopper.

Asst. Superintendent—S. J. Tompkins.

Supt. of the Adult Dept.—Dr. A. J. Ogram.

Supt. of the Intermediate Dept.—Dr. H. L. Griswold.

Supt. of the Junior Dept.—Dr. E. D. Canatsey.

Supt. of the Junior Dept.—Mrs. Wm. Cocking.

Asst. Supt. of the Primary Dept.—Mrs. E. S. Woodman.

Supt. of Beginners Dept.—Miss Alice Applebee.

Asst. of the Beginners Dept.—Miss Dorothy Cannon.

Supt. of Missionary Dept.—Mrs. Dora E. Loudermilk.

Supt. of Temperance—Dr. H. C. Wolman.

Supt. of Home Dept.—Mrs. H. L. Griswold.

Secretary—Harry C. Roach.

Asst. Secretary—Ralph Floreth.

Treasurer—Mrs. J. I. Graham.

Librarians—Miss Maude Moxon, Miss Cornelia LaRue.

## HEAR DOROTHY PHILLIPS SING

**Y. M. C. A.**  
**Notes**

New Year's resolution: "Smile, Forget Yourself and Take What Comes."

THE PURPOSE OF THE Y. M. C. A. is to help every man or boy fit himself and his abilities into a well rounded Christian life, and so bear his full share of responsibility to his home, work, community and nation.

DR. CHARLES J. VILLAS of Madison, Wis., gave \$20,000 for the furnishing of the Y. M. C. A. building and \$5,000 for the bond retirement and also left \$20,000 more as an endowment, the income of which is to be used for repairs and refurbishing.

LANSING, MICH., secured \$25,000 in a community effort largely for the Association.

FACING THE PROBLEM of losing its subscriptions or going forward, Sioux Falls is erecting its building, for which \$250,000 was pledged and expect to raise \$150,000 at the dedication in the spring. This town is just a little larger than Jacksonville. It could be done here.

TO MATCH A PLEDGE OF \$50,000 from two industries at Mount Hope, Miss., the citizens are raising \$50,000.

THE "Y" WORK MUST CONTINUE even tho the mills are shut down, is the decision of the officials of the cotton mills in Siluria, Alabama. Such men must see more in the Y. M. C. A. than the dollars they are investing.

## ALEXANDER.

Among Jacksonville visitors Tuesday were Mrs. C. M. Strawn, Mrs. Robert Sallor, Mrs. Andrew Sallor, Mrs. Henry Young and daughter, Christina; Mrs. Nathan Carpenter, Walter Hines and daughter, Miss Helen, Mrs. J. W. Knous, Miss Elizabeth Ridder.

Miss Sarah Cockin, who has been visiting in Jacksonville for several days past, returned to her home in Alexander Tuesday morning.

J. E. Willett was a business visitor in Jacksonville Tuesday.

## LOCAL TAX RATE FIGURE COMPARED

Much Lower Than in Several Central Illinois Cities.

Comparison of the tax rate in Jacksonville with that effective in seven other Illinois cities shows that the rate here is not above the average, and, in fact, is somewhat lower. The Jacksonville rate of \$6.40 on the \$100 of valuation is about the same as in Peoria, Bloomington and Urbana. In Quincy and Galesburg the rates are considerably lower than in this city, while the Jacksonville rate is very low by comparison with the rates in Decatur and Lincoln.

Here are the figures:  
Jacksonville . . . . . \$6.40  
Quincy . . . . . 5.07  
Galesburg . . . . . 5.77  
Peoria . . . . . 6.26  
Bloomington . . . . . 6.26  
Urbana . . . . . 6.53

## REPAIRING THE PAVEMENTS

The cedar block pavement in the business district in a number of places has recently needed the attention of Street Commissioner White and his assistants. The pavement has been "buckling up" and it has been necessary to in a number of instances remove blocks and provide larger expansion joints.

## BLACKHEADS GO QUICK BY THIS SIMPLE METHOD

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of calomite powder from your druggist—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. The calomite powder and the hot water have just dissolved them. Pinching and squeezing blackheads only open the pores of the skin and leave them open and unsightly—and unless the blackheads are big and soft they will not come out, while the simple application of calomite powder and water dissolves them right out, leaving the skin soft and the pores in their natural condition. You can get calomite powder at any drug store and if you are troubled with these unsightly blemishes you should certainly try this simple method.

## WOULD GIVE DIRECT TELEPHONE SERVICE WITH HAVANA, CUBA

All That is Needed is Permit to Land Cables

ONE WOULD BE WITH NEW YORK CITY

(By The Associated Press) WASHINGTON, Jan. 4.—Direct telephone communication between the United States and Cuba is to be provided by the Cuban-American Telephone and Telegraph Company, a permit for the landing of three telephone cables from Havana at Key West, Fla., having been granted the company today by the state department. Laying of the cables is expected to be completed in the spring, representatives of the company here today said. They will be approximately 100 miles in length or longer than any submarine telephone cables yet laid.

Of the three talking circuits to be provided one will be connected with New York, it was said, so that the ring of the long distance operator in Havana will sound in the New York central office. A second circuit will pass thru the Jacksonville, Fla., office for service to western cities and the third will connect with the Key West exchange for calls to and from points in the south.

Construction of the cables, already completed was said to have presented entirely new engineering problems due to the depth of the waters to be traversed.

## WINCHESTER

Winchester, Jan. 4.—Miss Susie Ausmus of Beardstown arrived Friday to visit relatives at Keller Park farm.

Miss Mary Northern has returned to Greenfield after visiting at the home of Ed L. Balsley.

Misses Agnes Smithson, Bess O'Donnell, Vivian Vannier and James Miner returned Friday from visiting friends in Jacksonville.

County Superintendent of Schools Miss Olive Wells and C. W. Smith, principal of the Winchester High school, Miss Charlotte Chance and Miss Bessie Pieper returned Friday from attending the State Teachers' institute at Springfield.

Albert and Fred Buckley left Saturday for Jacksonville to attend the funeral of their aunt, Mrs. Emma Brown.

Mr. and Mrs. Elmer Ash of Chicago are visiting relatives in Murrayville. They will come here later for a visit with relatives.

Dr. H. H. Fletcher returned Wednesday from St. Louis where he went on professional business.

Mr. and Mrs. Ray Portenbach and small son have returned to Canton after a visit with Mr. and Mrs. C. H. Townsend.

Miss Helen Evans has been visiting her sister, Mrs. Myron Hierman, of Arenzville, and has returned home.

Earl Owings and daughter, Charlotte Dale, returned to their home in Canton yesterday following a visit with his parents, Mr. and Mrs. George Owings.

Miss Mildred Funk, who is a teacher in the Franklin schools, has returned to that place after spending the holidays here with relatives.

David Hainsfurther and daughter, Madeline, left Monday for Springfield where the former will undergo medical treatment at Springfield hospital.

Mrs. N. T. Lashmet, daughter, Loreta, and son, Edwin returned Sunday from Jacksonville where they had been visiting relatives the past week.

Mrs. H. S. Reavis and children have returned from a visit with her parents, Mr. and Mrs. Cochran, of Alton.

Miss Dorothy Oehler has returned to Arenzville to resume her duties as teacher in the public schools there after a visit with home folks here.

Mrs. Frank Lindow and sister, Miss Dessie Patrick, returned Saturday night to Detroit, Mich., after visiting their parents, Mr. and Mrs. Isaiah Patrick.

Miss Louise Hamilton returned Saturday night to Chicago after a week's visit at home.

Mrs. Warren Watt and Mrs. Walter Cline and little son returned recently from Beardstown.

Mrs. Gus Strauss left Monday for Chicago where she was called by the illness of her mother, Mrs. Moses Hainsfurther.

Heavy castings are welded dependably here—for we take exacting care in pre-heating thoroughly and weld with experienced skill. These days when parts are so hard to obtain, our WELDING SERVICE is a double economy—it costs less than new parts and prevents serious delays. Tr. yit.

## GERMANY TRIES TO STOP SMUGGLING

Smugglers Are Corrupting Customs Officials.

Berlin.—(By Associated Press) —Smuggling over the Dutch and Danish frontiers, which the German government had gone to great effort to suppress again is flourishing "on a colossal scale" and at some points with the full knowledge and connivance of may government officials according to reports reaching here. Smugglers are declared to be outbidding the government for the aid of dishonest officials and the "veritable army of customs officers on the borders have permitted millions of marks worth of tobacco, cigars, cigarettes, coffee and sugar to cross the border duty-free within the last few months."

Flying squadrons of customs officers have been organized by the government to catch the smugglers who are said to have so thoroughly systematized their operations that "customs receipts are rapidly falling back to nothing, for custom control is again only on paper."

Fifty thousand pounds of coffee are being smuggled over the border daily at one point, a report says, and smugglers everywhere are working with the sympathy and assistance of all dwellers along the frontiers.

Men, women and even children are said to be engaged in this trade. High prices, low wages of customs officials, and the depreciated value of the mark is credited as one of the principal causes for the widespread violation of import and export regulations.

The smugglers are described as being so well organized and so confident they carry on their business "by land and wholesale scale, and quite openly."

## ASHLAND

Ashland, Jan. 4.—At 8:30 Sunday morning the home of Alfred Campbell, three miles north of Ashland, caught fire. It is thought the fire started by a defective flue. One side of the roof was destroyed but owing to the good help received by the neighbors the fire was soon put out.

## Velie Biltwel Six

## WIDOW OF MURDERED MAN FAINTS WHILE ATTENDING TRIAL

Creates Much Excitement by Fainting Three Times

ACCUSED MAN KISSES HER IN COURT

BRIDGEPORT, Conn., Jan. 4.—A demand for a ruling by the court on the admission of a signed confession alleged to have been made to the police by Elwood B. Wade, on trial for the murder of George B. Nott in this city, brought today's session of the court to a close after six hours of testimony and three fainting spells by the wife of the defendant and the widow of the murder victim had given the hundreds of spectators their fill of excitement. Mrs. Nott under indictment with Wade for the murder of her husband but not yet on trial appeared dressed fashionably in deep mourning. During the description by physicians, witnesses of the trade gun shot wounds, several skull fractures and nineteen knife wounds found in the autopsy, Mrs. Nott suddenly slid from her chair to the floor in a faint and had to be carried to the sheriff's room to recover.

The second shock came late in the afternoon when Wade, in passing her to leave the court room during a recess suddenly leaned over and kissed Mrs. Nott in plain sight of his own wife who was sitting only a few feet away. Mrs. Nott screamed and swooned under the kiss and was carried out for a second time. The defendant's young wife also fainted. The court room became a bedlam and order was restored with difficulty.

much and expects to return Wednesday. Mr. and Mrs. Clifton returned Sunday from their holiday visit with relatives in Decatur. Mrs. Augustine was a Jacksonville visitor to Jacksonville Monday.

Miss Bertha Runion of Springfield, Missouri spent several days visiting at the home of her sister Mrs. E. C. Gray.

## FORCED TO GO OUT OF BUSINESS, SAYS HERTEL

Illinois Man Had Rheumatism so Bad He Could Hardly Set Around—Tanlac Restores His Health

"If I had gotten hold of this Tanlac a little sooner I wouldn't have had to sell my business," said Thomas P. Hertel, New Berlin, Ill.

"For five years I was troubled with rheumatism, which finally got so bad I couldn't bend my joints without suffering agony. Them muscles in my legs would draw and pain me until it seemed that I couldn't endure it. My stomach finally went wrong, my kidneys got out of order, and I got so bad off I couldn't walk at all without holding on to something, and was forced to sell my business because I couldn't stay up enough to look after it."

"For a long time I lived on milk and mush and such like, for if I ventured to eat any meats or vegetables or rich foods I just suffered agony for hours. My kidneys broke my rest, and at times I had such pains in my back I could hardly stand it. I got to where I just had to sit around all the time and was getting weaker every day."

"One day I read a statement in a Springfield paper about Tanlac and decided to try it. The first bottle helped me so I kept on taking it until now my rheumatism is gone and I haven't a ache or pain anywhere, can eat like a school boy without the least after-ward effects, sleep like a log at night and wake up mornings feeling fine. I have also gained twelve pounds in weight, and am feeling so well I expect to go in business again right away. I am telling everybody about Tanlac and they can look at me and see just what it will do."

Tanlac is sold in Jacksonville by Coover Drug Co., Wyle Drug Co., Franklin and Waverly and leading drug store in every city. Adv.

**I. C. MEN DO NOT  
ENTHUSE OVER WORK**

Shooting baskets at the High school gym is not as exciting (to I. C. men) as the same sport would have been in the gym at I. W. C. This fact was strikingly illustrated Monday evening when only a small number of the boys who signed up for basket ball, appeared to practice at the high school gym. The falling off in numbers is accounted for by many as being due to the fact that it was planned to hold basket ball practice at the Woman's College gym this year. Alas, however, this bubble has burst!

**NEW USE FOR A FORD**

County Agent G. B. Kendall is the possessor of a bottle of fine perfume and some articles from a dry goods store that do not belong to him. Evidently some person thought the county agent's Ford was their own and deposited the package containing the articles mentioned in the back seat.

**A TEXAS WONDER**

For kidney and bladder troubles, gravel, weak and lame back, rheumatism and irregularities of the kidneys, it is sold by your druggist, by mail, \$1.25. Small bottle often cures. Send for sworn testimonials. Dr. E. W. Hixson, 228 N. St. Louis, Mo. Sold by all druggists.

**CLOTHING FACTORY  
WILL RESUME WORK**

Announcement of J. Capps & Sons Means Employees Will Soon Be Back on Jobs.

The cutting and trimming departments of J. Capps & Sons mill is now in operation. This means that about 250 persons will again be given employment, the quiet condition of business having made it necessary to shut down these departments several weeks ago.

H. M. Capps, president of the firm, said yesterday that salesmen usually go out in September with the spring lines. They did not make the regular trips last fall as merchants everywhere were holding back on buying and it was realized that not enough orders could be taken in to keep the clothing department in operation. Now the salesmen are to go out but several months of the usual selling time has passed, so that the total of business done will naturally be much below normal. However, Mr. Capps said that members of the firm believe that conditions are going to grad-

ually be adjusted in a satisfactory way.

Retailers everywhere have shown a disposition to take their losses and some sharp cuts have been made. These lower prices have had the desired effect of reducing stocks, so that it is expected in the course of the next few months that a reasonable amount of orders can be booked, and the clothing factory kept in operation.

Notices have been posted that next week the clothing factory will open.

**MUSICAL PLAY AT THE GRAND**

"All Aboard for Cuba" was the title of the musical play staged at the Grand Opera house Tuesday night. It was presented in two acts and five scenes and was a musical offering which pleased the large audience. Jimmy Hodges produced the play, which makes no other pretense than for amusement purposes. The plot is only incidental, the idea being to furnish opportunity for singing, dancing and specialties. The producer has paid special attention to his chorus and the girls in the group gave evidence of proper training in both songs and dances. "All Aboard for Cuba" measured up to expectations.

**GET RICH QUICK**

**MAN SENTENCED**  
Milwaukee, Wis., Jan. 4.—Milwaukee A. Dodge, convicted of obtaining money under false pretenses by the operation of a motion picture and oil stock company swindle was sentenced today to five years in the state prison at Wau-  
Judge August Backus in municipal court before whom Dodge elected to stand trial without a jury imposed the maximum sentence with the remark that he was "sorry it could not be made more."

**JAIL PRISONERS**

**GO ON RAMPAGE**  
Rochester, Minnesota, Jan. 4.—Half dozen prisoners in the Olmstead county jail here mutilated late today and destroyed cots, bed clothing and other fixtures in their cells. The disturbance was quelled when the fire department was called and streams of water directed on the prisoners.  
The trouble started, the prisoners said, because Sheriff Mitchell "refused to have refused them food until they confessed which one of them had cut away a lock in a cell door."

**STANDARD OIL STATION**

**AT CHAPIN**  
The Standard Oil Co. has opened a bulk station at Chapin to take care of the gasoline and oil needs of that town and locality. A truck will be used in serving the surrounding territory. The building is located not far from the Perbix grain elevator. G. R. Scott, manager for the Standard in local territory, yesterday said that Harry Stewart will be in charge of the Chapin plant.

**PLAY PRESENTED AT  
WOODSON A SUCCESS**

"Lighthouse Nan" Given Tuesday Evening Under Auspices of Parent-Teacher Association—Goodly Sum Realized.

The play "Lighthouse Nan," given in Colton's hall at Woodson Tuesday evening was a success in every sense of the word. The presentation was under the auspices of the Woodson Parent-Teacher association, of which Mrs. F. J. Henderson is president. The proceeds amounted to something more than \$126 and this will be applied on the price of a piano recently purchased.

"Lighthouse Nan" is a three act drama, full of interest and appeal from start to finish. Those who had part in the play carried their roles to perfection and deserve great credit for the excellence of their work.

Music was furnished by the Woodson orchestra and their contribution to the success of the evening was by no means small. The sale of tickets in general was in charge of Russell McAllister, while Miss Zella Crain had charge of the reserve ticket sale. George McKean was the ticket taker and those serving as usher were Charles Newman, Her-  
Owings, Randolph and Ralph Kehl.

Most of the residents of Woodson had some part in the undertaking and it would be impossible to mention all who contributed to the success of the event. However, it should be mentioned that it was largely thru the efforts of W. T. Craig that the use of the hall was obtained. Mr. Colton donating this free of charge. Messrs. Henry and Brodgen furnished the electricity for lighting without charge. The officers of the Parent-Teacher association are deeply grateful to all who in any way aided in the undertaking.

**LABOR CONGRESSES****WILL MEET IN MEXICO**

Mexico City, Jan. 5.—Two labor congresses probably will meet in Mexico City next week, one the regularly constituted convention of the Pan-American Federation of Labor and the other a protest demonstration which was called today by dissenting members of the federation. The American Federation of Labor appears to be the rock upon which the factions are pitting. Posters appeared in the city today announcing that the American Federation of Labor has not been recognized by the Third.

**WILL INVESTIGATE****ALLEGED POLICE BRIBES**

Sioux City, Jan. 4.—The January grand jury this afternoon was instructed by Judge George Jepson to investigate recent charges of Mayor Wallace M. Short that members of the police department are guilty of accepting bribes.

**CONFERENCE OF****PREMIERS TO BE HELD**

Paris, Jan. 4.—It is officially announced that a conference of the allied premiers will be held in Paris toward the end of January, when Marshal Foch's report on German disarmament and the question of German reparations will be considered. The Greek situation also will be discussed.

**CELEBRATION OF NEW  
YEAR'S SHOWS CHANGES**

Day Is No Longer Observed in the Old Way—War-Time Prohibition Brought Great Re-orientation in Pomp of Celebration.

NEW YORK. — By The Associated Press.—New Year's isn't what it used to be. This is in a small way attributable to the addition to the Constitution of some dry reading matter. In still greater part it is because the international obsession for celebrating whenever Father Time takes a fresh start in piloting the earth around the sun is thousands of years old. The manner of observing the day has changed greatly thru the centuries.

The urge to give presents at least once a year was felt even before Christmas and Santa Claus came into the scheme of things, and the ancient Greeks, Chinese, Egyptians and Romans tendered their gifts to one another on the first day of the year. Kings got into the habit of receiving extra gifts from their subjects on these days and liked it so well they began extorting larger and larger sums. This practice got so bad in Rome under the Caesars that Claudius cald a halt.

It spread to other countries, however, and the English had their New Year's celebration spoiled annually by rapacious sovereigns until Queen Elizabeth's modest demands of her subjects cut gifts down to a minimum. In those days the celebration of New Year's Day had become worldwide. With variations to suit all nationalities, it consisted everywhere of eating, drinking and mostly merriment.

Christopher Columbus, so far as is known, was the first white man to jubilate on New Year's Day in the Western Hemisphere. While his ships were undergoing repairs on January 1, 1493, he enjoyed a sumptuous dinner with two savage monarchs on the island of Haiti. After this, history says, the discoverer of America had his first smoke of tobacco. Whether he enjoyed it is not recorded, but he left it to a later generation—Sir Walter Raleigh is generally credited with the function—to introduce tobacco in Europe.

The Pilgrim Fathers and the first families of the older states of the union enjoyed a quiet holiday as each year came around. They feasted, but not until they had attended religious services. In the 19th century people with big houses and flowing sideboards held open house on New Year's Day and from all over friends came afoot, on bicycles and in surreys and stanhopes to pay short visits and amble the contents of wine cellars. Then when they went off to all on other friends. Popular maidens in those days witnessed traffic jams in front of their homes, so prevalent was the penchant for short calls on young women during the afternoon of the year's first day. This custom began to pass out quietly with the dawn of the 20th century, automobiles, and cabarets. It was succeeded by "nothing but wine" habits amid the thousands who frequented cafes and grill rooms in the cities on New Year's Eve.

For 25 years up to the dawn of 1920 and the era of war-time prohibition, the celebration in New York became noisier and more expensive each year. Thousands used to crowd into places of merriment while Broadway was packed with a surging throng of merry-makers with aquawkers, clappers, bells, ticklers and confetti.

Every hotel and most of the restaurants were jammed with gay diners. In 1908 it was estimated that \$1,000,000 was spent in the white-light district on New Year's Eve. After that statisticians gave up trying to figure out the sum.

The din and probably the cost of the celebration was greatly diminished under war-time prohibition in the New Year's demonstration of 1920. Old timers said all the "ginger" had departed with John Barley-corn.

The cupid of 1921 will be the first to make his bow under Constitutional prohibition. In New York he will find that times have changed.

**SOCIALISTS WILL  
SEE SUB COMMITTEE**

Chicago, Jan. 4.—A delegation representing the Socialist party will appear before a sub-committee of the senate judiciary committee in Washington Thursday in connection with the resolution by Senator France of Maryland, providing for amnesty for all political prisoners, it was announced at the party's headquarters tonight. The delegation will be composed of Morris Hillquit of New York, James H. Maurer, president of the Pennsylvania Federation of Labor, Judge Jacob Panken, New York; Mrs. Bertha Malley, New York; Alderman Algernon Lee, New York.

**CIRCUS PERFORMER  
SUES FOR LARGE SUM**

Toledo, O., Jan. 4.—A railroad wreck in which a score of circus performers were killed and many others injured at Ivanhoe, Ind., on June 22, 1918, was revived today in United States District court here when the case of Hettie McCree, one of the injured, came up for trial.

Mrs. McCree is seeking \$150,000 and the suit is directed against John Barton Payne, director-general of railroads for the government.

LOST—Two small automobile keys on string in business section. Finder call Illinois phone 50-728. 1-3-21

**PUBLIC SALES**

**LAST YEAR**—Any one could "cry a sale;" it was no effort to sell anything a person might wish to dispose of—

**THIS YEAR**—It's different, that's all; people are not buying as readily; they must be convinced by sound argument that an article offered possesses intrinsic value "worth the money."

**YOUR SALE**—To succeed must be "cried" by an experienced salesman, one who knows values, one who can present those values to the crowd in a convincing and assuring manner, one who knows sale crowds—

**I QUALIFY**—By reason of training, experience, and past record. I have many sales booked. See me at once for open dates.

**"Walk a Block and Save a Dollar"****Good Faith**

We like people whom we can trust. We are more apt to do business with people whom we know are kindly and trustworthy than with strangers. Sometimes, however, we meet strangers who are very worthy and, after we know them, we trust them and get a great deal of pleasure from their association. A firm is like an individual. We go to a new shop with a good deal of misgiving. If the shop makes good we go back again and again. This is a secret of the success of our policy of always keeping our customers. We give you what you wish, practically in every instance on your own terms, and we deal with you in a personal way that appeals to honest, thrifty people. In addition to this we carry for you only the best. The Peoples is setting a standard in this city.

### TRINITY GUILD HOLDS MEETING

At the annual meeting of the Woman's guild of Trinity church held Tuesday afternoon at the rectory, it was shown that the organization has just completed a most satisfactory year. Reports by Mrs. George Mathews, president, Mrs. Allen, treasurer and Mrs. Hatfield, secretary, all bespoke of a very successful year, in increasing membership and activity as well as in financial affairs. The officers elected for the ensuing year are:

President—Mrs. J. G. Ames.  
Vice President—Mrs. Lloyd Brown.  
Vice President—Mrs. Edger-ton.  
Treasurer—Mrs. Allen.  
Secretary—Mrs. Hatfield.  
After the business meeting, Mrs. Langton served dainty refreshments and the members enjoyed a social hour.

### ADMINISTRATOR'S SALE

Two nice houses and lots, 1509 and 1611 S. Clay Ave., Thursday, Jan. 6th at 2 P. M., at the Court House, NINA A. LUMLEY, Admx.

### SUIT TO QUIET TITLE

In the office of Circuit Clerk Wainmaker a suit has been filed by J. P. Yeck et al. directed against Zachariah Cogburn et al. The bill was brought by W. W. Wright as attorney to quiet the title of certain lands in sections 12 and 13, township 16, range 12, belonging to the Yeck estate.

### COMMUNION AT STATE STREET CHURCH

A preparatory Communion will be held at State Street church tonight. Members and friends are invited to attend.

### PLAN TO AID IN OVERSEAS RELIEF WORK

No General Campaign Planned But Subscriptions From Organizations Will Be Sought.

Preparations for securing subscriptions for famine relief work are under way. Rev. M. L. Pontius and Rev. W. H. Marbach are acting jointly as chairman of the organization. It is not the purpose to have a campaign for funds in this locality in the ordinary acceptance of that term, but those interested in the movement are expected to proceed thru organizations in the securing of subscriptions. This means thru churches, lodges, schools and various organized groups.

The persons subscribing can designate how the subscription is to be used, whether for relief work in the Near East or for the central Europe fund, for which Herbert Hoover is standing sponsor. Unless designation is made, each subscription will be divided between these two causes on a 50-50 basis.

One Jacksonville church has already raised more than \$300 for this fund and collections have been taken in a number of other churches. The H. Y. club at the suggestion of Mr. Pindley recently agreed to assist in collecting a fund among high school students. The need is acute and as people come to an understanding about existing conditions there will be no doubt about the generosity of their contributions.

### DELAWARE TRIBE INSTALLS OFFICERS

W. G. Wolfe, Deputy Great Sachem in Charge of Ceremonies.

Officers of Delaware Tribe No. 78 Improved Order of Red Men for the ensuing six months were installed at the regular meeting Tuesday evening.

The ceremonies were in charge of W. G. Wolfe, deputy Great Sachem, with W. J. Brooks as Great Sannap and J. A. Crum as Great Prophet.

Following the installation a number of excellent talks were made by various members. The officers are:

Sachem—Ed Miller.  
Senior Sagamore—Newton Flynn.  
Junior Sagamore—Lester De Witt.  
Prophet—John Redburn.  
Trustee for Eighteen Months—Lester De Witt.

The Sachem announced the following appointive officers for the term:

First Sannap—G. V. Skinner.  
Second Sannap—W. J. Brooks.  
First Warrior—B. Profit.  
Second Warrior—Amos White.  
Third Warrior—Fred Miller.  
Fourth Warrior—Oscar Ham.  
First Brave—O. L. Thompson.  
Second Brave—Clarence Ham.  
Third Brave—E. M. Murphy.  
Fourth Brave—O. G. Gilpin.  
Guard of the Wigwag—W. H. Garrison.  
Guard of the Forest—William Hayes.  
Press Reporter—W. F. Timmerman.

### SPECIAL SERVICE AT WOODSON CHURCH

Rev. H. H. Peters of Bloomington will be at the Christian church in Woodson next Sunday. He will preach at 10:15 a. m. Lunch will be given in the church basement. There will be an installation service at 2:30 p. m. in the evening. Rev. M. M. Peters will make the service evangelistic. Let all come and bring a lunch and be at all these services.

I. H. FULLER, Pastor.

Mrs. Andrew Lewis of Virginia was a guest Tuesday of Mrs. W. H. Brown in Litchberry.

### Social Events

Mr. and Mrs. Louis Kelly

Entertained at Dinner  
Mr. and Mrs. Louis Kelly of South Diamond street entertained a farewell dinner Tuesday evening in honor of C. N. Priest and family. The Priests are leaving today for California for an extended visit.

Entertains at

Dancing Party  
Miss Laura Winne entertained a large number of friends with a dancing party at her home on North Diamond street Monday evening. Refreshments were served and all present reported a very enjoyable time. Out of town guests were: Mr. Elmer Smith and Jerry Williams of Springfield. Mr. and Mrs. Rufus Virginia and their two children of Virginia Roy Winne of Little Indian and Byron Winne of Arcadia.

Orleans Country

Club Met Tuesday  
The Woman's Country club of Orleans met Tuesday afternoon with Mrs. Georgia Greenleaf. Owing to the bad condition of the roads there were a few members absent. Several selections were played on the Edison. Mrs. James Holmes had the topic for the afternoon. She also read articles on the Japanese question. A social hour followed the program. The next meeting will be held at the home of Mrs. Clyde Cox January 18.

Had Supper Party

Clarence Hembrough was the host Sunday evening at a small supper party given at his home on East Lafayette avenue. William Hembrough, Frank Crabb and several young people from the Ashland neighborhood enjoyed a fine supper and social hour afterward.

Tuesday Club Meets

The East Side Tuesday club met Tuesday afternoon at the home of Mrs. J. M. Wolfe at 1309 West College avenue. A large number of the members answered to roll call and a very interesting program was given. Mrs. Marshall Miller had a paper on "What Have They Done to Our State Constitution?" and Miss Myrtle Larimore furnished some delightful music. Light refreshments were served.

Entertained Club

The Golden Rule club was entertained yesterday afternoon at the home of Mrs. Lee Lettze on South Clay avenue. After a business meeting the members spent a delightful afternoon doing fancy work and sewing. Suitable refreshments were served during the afternoon.

Missionary Meeting

A Tuesday afternoon Women's Home and Foreign Missionary societies of the Congregational church held their first meeting of the year and also the first meeting in the new parlors of the church. Each of the societies held brief business meetings after which Miss Lilian Havenhill gave a very interesting paper on "The Training of Women Workers for Christian Service." During the social hour which followed, duty refreshments were served by Mrs. Lee Doane, the hostess for the afternoon. The Ladies Aid Society held a short meeting after the adjournment of the missionary society in which plans were made for the year's work in the new building.

Observed Sixtieth

Wedding Anniversary  
Mr. and Mrs. John H. Meacham yesterday celebrated their sixtieth wedding anniversary at the home of their daughter, Mrs. G. W. Weber, 1260 South Main street.

The couple were married at the home of the bride's parents, Mr. and Mrs. William Jarrett, six miles south New Berlin, former Squire William Williams of Lincoln, performing the ceremony which took place at four o'clock Jan. 4, 1861. They resided in Sangamon county until 1873 when they moved to Christian county where they lived one and one-half miles south of Bollica.

In 1879 they purchased a farm one-fourth mile west of Roby where they resided until three years ago, since which time they have made their home with their children. J. W. Meacham, Brighton, Illinois. Mrs. G. W. Weber this city, Mrs. A. E. Bolt, Mrs. O. P. Peel, Mrs. L. O. Troxel, Springfield, Illinois and J. T. Meacham, Brighton, Illinois.

Mrs. Meacham is enjoying very good health at the advanced age of seventy-eight years, while Mr. Meacham, who is eighty-seven, is in poor health suffering with hardening of the arteries.

It will be remembered that in his early days he was a school teacher for several years in Sangamon county, and after moving to Christian county he was twice elected assessor of Mt. Auburn township, refusing the third term. For several years he was a director of Sudduth school. All his life he has been a staunch Democrat.

Ten years ago today they celebrated their golden wedding anniversary at their home near Roby.

The out of town guests were Mrs. A. E. Bolt, Mrs. O. P. Peel and Mr. and Mrs. L. O. Troxel of Springfield.

### AMERICAN LEGION MET TUESDAY EVENING

New Officers of Local Post Installed at Regular Session—Various Business Matters Are Given Attention.

A regular meeting of the American Legion was held at Elks hall Tuesday evening, at which there was a large and enthusiastic attendance. The installation of officers took place with fitting ceremonies, and various matters of routine business were considered. A letter from State Department Commander W. R. McCauley was read, announcing a meeting to be held in East St. Louis on Monday Jan. 10, when a chance will be given any ex-service man or woman having a just claim against the government to adjust the same. It is probable that the local post will be represented at this meeting.

A referendum vote of members of the American Legion is to be cast at an early date on adjusted compensation. The voter will be asked to indicate whether or not he is in favor of the Legion's plan of adjusted compensation for all ex-service men and women; and whether or not he believes the wounded and disabled soldiers should be cared for first by the government before asking for adjusted compensation. It is desired to get an expression of opinion on adjusted compensation from members of the Legion before the matter comes before the legislative committee.

The officers installed Tuesday evening are:

Commander—William T. Harmon.  
Vice Commander—Elmer Henderson.  
Adjutant—Glenn Skinner.  
Chaplain—W. H. Marbach.  
Medical Officer—F. G. Norbury.

Sergeant at arms—Houston Cowgour.  
Board of directors—John Larson, R. Y. Rowe, Hugh Green, Wilbur Hauck and Siddons Armstrong.

Standing committees have not yet been appointed but will be named at an early date and an announcement made at the next regular session.

### Funerals

Hickman

The following is taken from a Los Angeles paper.

Funeral services for the late Samuel J. Hickman former Morgan county citizen, were conducted at his home in Los Angeles on Dec. 11, 1920. Rev. Gordon Palmer pastor of South Park street church of which the deceased was a devoted member, officiating and spoke words of sympathy to the family and friends. He spoke of his christian character and his regularity to worship as long as his health would permit.

Samuel Hickman was born in Ulster county New York in 1852 and came to Illinois when a child and resided near Jacksonville, Illinois until 1910 when he and his family moved to Los Angeles, California where he has lived until his death Dec. 9, 1920. Had lived until Dec. 30, 1920 he would have been 69 years of age.

A sad incident is that exactly ten years to the day that he and his family arrived in California he was laid to rest in beautiful Englewood cemetery beneath a mass of California flowers which were tenderly cared for by his friends.

He is survived by his wife Alice Hickman and four daughters, Mrs. Samuel McKean and Mrs. Charles Cox of Moorcraft, Wyoming and Mrs. Wesley Brown and Mrs. Frank Preston of Los Angeles. One sister Mrs. John Lambert of Jacksonville, Ill. and Mr. and Mrs. Samuel McKean of Moorcraft, Wyoming attended the funeral.

COMMITTEE HAD LUNCHEON AT PEACOCK INN

The committee which has in charge the county work for the Near East and European relief, had luncheon Tuesday at the Peacock Inn.

Rev. W. H. Marbach is chairman of the committee and during the luncheon hour plans were formulated and discussed concerning the county canvas for funds for relief in Europe and the Near East.

PLANS MADE FOR COUNTY COMMITTEE

Plans are being made in the city for the formation of a county committee which will further work in this community, for the European Relief Council of which Herbert Hoover is the president. The work is planned to include an appeal to the whole county, for funds to aid in this American work for relief among the destitute in Europe. Announcement will be made when this committee is appointed.

ATTENDED HALL

FUNERAL IN NEBRASKA  
W. B. McIntire of South Jacksonville has returned from Holdrege, Nebr., where he went to attend the funeral of Walter Hall. The remains were accompanied to Holdrege from Denver by Mr. Hall's wife and his brother-in-law. Interment was in the family lot in the Holdrege cemetery.

RELATIVE DIES

IN CHICAGO  
Theodore Hagel of this city received word announcing the death of his aunt, Miss Lena Adams of Chicago. Miss Adams was visiting here a number of weeks last summer and will be remembered by a wide circle of friends who will be saddened to hear of her sudden death. Mr. and Mrs. Hagel will attend the funeral which will be held Friday morning.

### HEALTH CONDITIONS IN SCHOOLS VERY GOOD

This is Report Made to Board of Education—Funds Not Sufficient for High School Building Bills.

The board of education held a regular meeting at the David Prince building Monday night. The following were present:

President, Lippincott; Members Black, Hopper, Rogerson, Muehlhausen, Caldwell and Metcalf. The statistical report of Supt. Perrin was received and approved. A further report indicated that there is considerably less sickness in the schools now than had been anticipated. Not long since a public health nurse made a special examination of all children and the schools are fortunately free from contagious diseases.

The payment of bills for the high school building was authorized in so far as funds are available. As a matter of fact, there are certified bills on this account amounting to \$4,050 in excess of the fund available. Payment of these bills and continuation of work upon the building will depend upon the action of the people in voting additional bonds.

There has been some trouble with the heating plant from time to time and it does not seem to be adequate for the intended purpose. It was decided that it would be advisable to have an inspection from a consulting heating engineer. This matter was referred to Member Hopper. Other matters considered were of minor importance.

### WITH THE SICK

Otto May, 817 West State street, is a patient at Our Savior's hospital, where he recently underwent an operation. His condition yesterday was reported as satisfactory.

Edmund Blackburn is ill at his home on Sandusky street, threatened with pneumonia. J. E. Martin has been confined to his home on West College avenue for several days by illness.

Mrs. Walter Bourn, living northeast of the city, has been very ill for the past two weeks, but is now somewhat improved. George Million, who has been ill at the home of J. E. Osborne on Grove street has recovered sufficiently to return to his home in Delavan, Ill.

Miss Loretta Piepenbrink has been confined to her home for several days on account of illness.

Mrs. William McCarty of East College street, who has been suffering from an attack of pneumonia, at Our Saviors hospital, is reported much better. Mrs. W. A. McCarthy who has been seriously ill with pneumonia at Our Saviors hospital is improving in a gratifying manner.

### Announcement of Dunlap, Russel & Co.

We desire to inform our customers that arrangements have been made whereby the Ayers National Bank of this City will take over our Banking Business and assume the liability for the payment of the deposits.

All of the officers and members of the clerical force will have positions in the Ayers National Bank thus affording our customers the opportunity to continue their business relations with the same persons as heretofore.

You may continue to use checks on Dunlap, Russel & Co., or you may use checks on the Ayers National Bank—either will be honored upon presentation at the latter Bank. When it is convenient, bring your pass-book to the Ayers National Bank and you will be furnished with a new book and Ayers National checks.

The part of our business pertaining to Investment Securities we will retain, and the same will be carried on at our present location, with Mr. L. P. Hauck in charge as Cashier.

Very truly yours,

DUNLAP, RUSSEL & CO.

### Announcement of the Directors of the Ayers National Bank

The Ayers National Bank has taken over the Banking Business of Dunlap, Russel & Co., and assumed the liability for its deposits. Pass-books, Savings-books and Certificates of Deposit issued by Dunlap, Russel & Co. will be honored by the Ayers National Bank now or at any time in the future, whenever they may be presented.

Customers having funds to their credit in the bank of Dunlap, Russel & Co. may continue to use Dunlap, Russel & Co. checks, or checks on this Bank, even though their accounts have not been transferred to our books. We suggest, however, that you bring in your pass-book when it is convenient and let us write it up and make the transfer for you.

It is generally known that M. F. Dunlap and Andrew Russel, President and Vice President of the Ayers National Bank, were the owners of the Bank of Dunlap, Russel & Co. and the change that is being made is not in any sense a change in management, but simply a change in location. All of the Officers and clerical force of Dunlap, Russel & Co. to become a part of the office force of this Bank, thus enabling the customers to transact their business with the same persons who have heretofore served them.

With the assurance that it will be our endeavor to maintain the same cordial relations that have heretofore existed between Dunlap, Russel & Co. and their customers, we are,

Yours very truly

TURPO FOR COLDS

Doctors warn against neglecting colds, as they are liable to develop into serious illness. Turpo has a clearing and antiseptic effect on the membrane and air passages, immediately relieves congestion and inflammation and checks the cold at once. As it is soothing and healing in action, it is especially recommended for children's colds. Turpo does not stain or blister. Your doctor will affirm that Turpo is a reliable home remedy.

BASKETBALL SCHEDULE

OF WHITE HALL TEAM

White Hall, Jan. 3.—White Hall defeated Pearl in the first game of basketball to be played at White Hall under the present schedule, the game taking place Friday evening in the garage building on Sherman street. The score at the conclusion of the game stood: White Hall 23, Pearl 14. It was a fast game throughout, and Pearl made a good showing. In the first half White Hall used its first team, and in the second half the local second team was run in. Troy Vermilion was referee. There was a good attendance.

White Hall played at Alton on Dec. 10, and at Jerseyville on the 17th. The schedule for the remainder of the season is as follows:

January 1—High School vs. Alumni.

January 7—Winchester at White Hall.

January 8—Murrayville at White Hall.

January 14—White Hall at Waverly.

January 22—White Hall at Pittsfield.

January 28—Waverly at White Hall.

February 4—Griggsville at White Hall.

February 5—White Hall at Winchester.

February 11—Greenfield at White Hall.

February 12—Jerseyville at White Hall.

February 18—White Hall at Griggsville.

February 25—Jacksonville at White Hall.

March 10, 11 and 12 will be held the district tournament at Jacksonville to develop talent for the state contest.

Owners know these claims are true

The Stewart One-Ton Speed Truck has made good—100% good. Now owners know that what we said last January is so. It has quickly won its way to the front—the Stewart leader, and a profit-maker for owners. Business men and farmers favor it; buy it, work it hard, and praise it to its performance.

For this One-Ton Speed Truck it fast, sturdy and flexible; built light for speed and built strong for hard hauling; its first cost is low, and it keeps right on saving on tires, repairs, gasoline and oil. It is furnished with electric starter, electric lights, magneto ignition and five-inch cord tires.

**H. S. TEACHERS WILL****PICK DEBATING TEAM**

Debaters to defend the honor of the Jacksonville High school against arguments of several large Illinois schools will be selected at tryouts to be held at 7 o'clock Wednesday evening in the David Prince building.

The number of candidates for the team is small this year, only about ten students working for a place. High school teachers will act as judges.

It has been announced that an open meeting of the debaters will be held Thursday at the school.

School officials have been in communication with numerous schools wanting debates. Quincy, Springfield and East St. Louis will probably meet the Red and White representatives in coming months.

THE "HEAL-ALL" OF THE INDIANS

There is an herb which grows wild on our Western Plains known as "Manzanita" and to which the Indians attribute wonderful curative and healing virtue.

There is no question but that nature has bounteously provided in the roots and herbs of the field a remedy for many of the ills to which the human flesh is heir. This is demonstrated by the wonderful success of that root and herb medicine, Lydia E. Pinkham's Vegetable Compound, which for more than forty years has been relieving women of America from some of the worst forms of female ills. It will certainly pay any woman who so suffers to try it.—Adv.

**WOULD PROTECT****ILLINOIS FORESTS**

State Forester Makes Recommendations Looking Toward Protection of Southern Illinois Forests.

Champaign-Urbana, Ill., Jan. 4.—By the Associated Press.—Need of more adequate fire protection in the forests of southern Illinois is emphasized in the annual report of Robert B. Miller, state forester just made public. It is possible, he said, for Illinois to secure, under the Weeks law, a share of federal funds for cooperative fire protection.

"Even if we are not yet ready, as a state to begin reforestation measures," stated Mr. Miller, "we can start right now in preventing forest devastation. This is a false policy and it will pay. We can at least make provision for the reproduction of our forests and prevent fires. An ounce of prevention will be worth several pounds of reforestation later."

According to Mr. Miller, the federal government under the Weeks law will match dollar for dollar, state appropriations for forest fire protection. He declares he will push legislation in the coming General Assembly to have such an appropriation made.

In his report, Mr. Miller stated that fully eighty percent of trees in some stands in southern Illinois show various degrees of fire damage. In warning against "annual burning" of forests by land owners and hunters, he said that once a tree is fire scarred, it seldom lives.

"Woodland owners give as their reasons for burning over the woods every spring or fall some of the following: (1) that it benefits grazing; making the grass come up better; (2) that it makes easier going for the dogs when coon-hunting or possum-hunting; (3) that it helps to protect their property from fire; (4) that it improves the general health of the community," the report goes on.

Indians fired the forests in the early days of Illinois, according to the forester, and the custom has been handed down to this generation.

DURBIN.

Clarence Hawker and Frank Wilson were St. Louis visitors last week.

Miss Dorothy McDewitt is spending a few days at the home of her grandparents, Mr. and Mrs. David Rawlings.

## If Petroleum Were Wiped Out Today

IF petroleum were wiped out today, factories would close their doors, agricultural machinery could no longer be made or operated, food could be raised only by primitive methods, and the transportation of food would be confined to horse power and water, for railroads could no longer run their trains, and before any adjustment could be made our great urban population would literally be starved to death.

The prosperity of all industrial nations is based upon petroleum.

The peak from which floats the flag that symbolizes the prosperity of the United States arises from a basic foundation of crude oil.

The underlying foundation of this prosperity is lubricating oil, for without this essential product of petroleum, the machinery of the world would stop and the world's reserve of lubricating oils, though vast in volume, would last but a few weeks at our present rate of consumption.

The next essential factor is kerosene and gasoline, for without the first, one half of the population of the world would be without light at night, and without the second, all types of internal combustion engines would be useless, and the automobile, tractor, truck, marine and aviation engine would be mere curiosities.

If lubricating oil, kerosene, and gasoline were available, but the hundreds of by-products made from the residue of petroleum were wiped out, many industries would be closed and unemployment would be general, for in nearly every industry one or more of these by-products are necessary in the manufacturing processes.

Thus is visualized by an extreme presentation—purely imaginative—of what might happen if petroleum, or any of its major derivatives, were wiped out over night. Also it shows the importance of the work the Standard Oil Company (Indiana) is doing in helping supply one of the basic, economic needs of the nation, and emphasizes the importance of the service the Company renders in promoting the comfort, health, and happiness of the individual citizen.

FLYNN IS BOUND OVER  
Lloyd Flynn, who was recently found guilty in the circuit court here of a statutory charge, faces another warrant also charging him with a statutory offense. A preliminary hearing on the latter charge was held today by Justice C. O. Bayha in the court of Justice A. B. Opperman with the result that Flynn was bound over to await the action of the grand jury, the sum of the bond being fixed at \$1,500, which was furnished. It will be remembered that Flynn was granted a new trial recently following his conviction in the circuit court.

DR. HARKER IN THE EAST  
Dr. Joseph R. Harker is in New York City attending several educational conventions being held there. He will attend sessions of the Association of American Colleges, the National Council of Boards of Education, in which there are two representatives from each of eighteen denominations, and also a meeting of the National Association of College Presidents.

He will attend sessions of the Association of American Colleges, the National Council of Boards of Education, in which there are two representatives from each of eighteen denominations, and also a meeting of the National Association of College Presidents.

See Bert Killam about fire insurance representing old line American. Bell phone 758.

FLYNN IS BOUND OVER  
Lloyd Flynn, who was recently found guilty in the circuit court here of a statutory charge, faces another warrant also charging him with a statutory offense. A preliminary hearing on the latter charge was held today by Justice C. O. Bayha in the court of Justice A. B. Opperman with the result that Flynn was bound over to await the action of the grand jury, the sum of the bond being fixed at \$1,500, which was furnished. It will be remembered that Flynn was granted a new trial recently following his conviction in the circuit court.

DR. HARKER IN THE EAST  
Dr. Joseph R. Harker is in New York City attending several educational conventions being held there. He will attend sessions of the Association of American Colleges, the National Council of Boards of Education, in which there are two representatives from each of eighteen denominations, and also a meeting of the National Association of College Presidents.

### SCHMALZ TO BUY BUILDING WHICH FLAMES DAMAGED

Grocerymen Will Again Conduct Business There, After Improvements are Completed

George Schmalz has practically completed arrangements for the purchase from Mrs. Elizabeth Sheehan of the building which he occupied as a bakery and grocery before the recent fire. Contractor Joseph Goetz is now working on the building, remodeling the damage done by the fire. It is expected that work on the building will be finished by February 1st, and Mr. Schmalz will again occupy it after that date.

A number of changes are being made, as the work proceeds. The structure will be made as nearly fireproof as possible, with a new roof, new sashes and window glass for the windows, and tin clad doors. The remodeling and improvements will cost about \$16,000.

Eighteen years ago this same building was partially destroyed by fire. Mr. Goetz rebuilt it at that time and immediately upon its completion Mr. Schmalz began business there, and occupied it until the recent fire.

When the present improvements are completed Mr. Schmalz expects to be much better equipped to take care of his large business. Changes are being made in the shelving, and there will be other minor improvements. The two upper stories will be fitted up in practically the same way as before the fire, but no definite arrangements have been made for the occupation, tho it is probable that Andre & Andre will again make use of them.

SEEK FOR PLAN TO  
BAR SPECULATION

Illinois Farm Commission Makes Report—Believe Also in Tenants Rights Law.

Springfield, Ill., Jan. 4.—A transfer tax to check speculations in farm lands, a tenants' rights law to safeguard the rights of both the landlord and the tenant and provision for a tenancy survey by the farm management department of the University of Illinois are the principal recommendations of the Illinois Farm Commission in a report to Governor Lowden today.

The commission was created on recommendation of Governor Lowden by the last General Assembly for the purpose of investigating conditions in Illinois regarding the operation and leasing of Illinois farm lands and the growth of farm tenancy in the State. It is composed of Charles Adkins, director of the Department of Agriculture; C. V. Gregory, editor of the Prairie Farmer, Chicago; Henry L. Wood, a prominent cattle raiser of Sheffield; and J. E. Harris, a retired farmer of Bushnell. It has held public hearings in every section of the state at which farmers have been questioned regarding farming conditions in their communities.

Tenancy in State  
"Tenant farming is more prevalent in the central and northern parts of the State than elsewhere in Illinois," the commission says in the report to the Governor. "The richer and more productive the soil the higher the percentage of farms operated by tenants. Statistics of 1910 show as high as 66 per cent of the farms in the northern and central sections operated by tenants, as compared with only about 30 per cent in southern Illinois."

The commission found that where there is a large percentage of tenancy the land is not quite so productive, improvements are not so good and there is less community spirit than is found where operation of farms by owners is the rule. It was brought out at the meeting held at Galesburg that most of the farmers believed a man with \$10,000 and enough equipment to run a quarter section of land would have a hard time paying for 160 acres at present prices.

The commission concludes its report with the following statement: "It would seem from the above investigation made by your commission, that if we hope to maintain the fertility of our soil and our community life in the rural districts, to make farm life attractive enough to keep our best young people on the farms to feed the present generation, and leave our soil so that it will feed future generations, it is necessary:

"First, to discourage speculation in land, whereby land values are made higher than the producing power will justify. To accomplish this we would recommend a transfer tax of one per cent of the selling price on all transfers made in less than one year after ownership is acquired, safeguarded with such other provisions as will protect transfers other than speculative."

Recommend Law  
"Second, with the large percentage of tenancy in this state, the tenant necessarily is a large factor in maintaining the soil, and he should be protected in his efforts to do so. Therefore, your commission would recommend a 'tenant's rights' law, properly safeguarding both the rights of the landlord and tenant, to encourage the tenant to build up the soil and the farm generally. The law should provide for reimbursement of the tenant, on the termination of his lease, for the improvements he has put on the land with the consent of the landlord. It should also protect the landlord against the unnecessary destruction of his property by a careless tenant. This would encourage

age both good landlords and good tenants.

"Third, we recommend the Federal Farm Loan Bank as a sane plan to furnish long term credit on farm lands, and urge the enactment of necessary legislation to protect and promote second mortgage loans on farm lands."

"Fourth, we recommend that an appropriation of \$250,000 be made to the Farm Management department of the University of Illinois, for the purpose of making a farm tenancy survey."

FARM FOR RENT  
I have a farm of 330 acres for rent about 18 miles southwest of Jacksonville, close to Manchester; 120 acres for corn or oats, the balance in good grass. Address 412 North Church street, Jacksonville.

TOUCHING SCENES  
AT UNKNOWN'S TOMB

London.—By the Associated Press.—Scores of touching instances have been witnessed at the tomb of Britain's "Unknown Warrior" in Westminster Abbey as long lines of men, women and children have passed the black marble slab covering the grave, for several days since the burial there of the unidentified soldier.

The fact that no one knows the man who lies beneath the slab leads many to offer tributes in the hope perhaps that the body is that of a missing son. The mother of one of the thousands of unknown warriors, any one of whom might be reposing in Westminster Abbey, laid three war medals, the Mons Star, the Victory and the British War Medal on the grave as she passed in the line. They had been awarded to her only son who was wounded three times and afterwards reported missing.

A soldier's modest offering of flowers bore bearing the inscription: "In loving memory of my two pals and all the other pals."

J. HERMAN

### FORMER MEREDOSIA RESIDENT IS DEAD

Death Comes to Mrs. William G. Looman at Home in Peoria—Was Prominent Resident of Meredosia for Many Years.

Meredosia, Jan. 4.—This community was greatly saddened Tuesday morning when intelligence reached here of the death of a widely known and much beloved former resident, Mrs. William G. Looman, who died at her home in Peoria at 8 o'clock Monday evening. Death was the result of a paralytic stroke and followed but a brief illness.

The deceased, who was fifty-two years of age at the time of her death, before her marriage was Miss Emma L. James. She was the oldest daughter of Mr. and Mrs. George James of this city, having been born here and spending practically all of her life in Meredosia, until two years ago when she removed to Peoria.

Mrs. Looman is survived by her husband, William G. Looman and one son, Kenneth Looman. She leaves also her aged parents, Mr. and Mrs. George James and one brother, Charles James all of Meredosia.

During her years of residence in Meredosia Mrs. Looman had a very prominent place in the religious and social life of the place and the news of her death will come as a source of sorrow to many. The family will have the heartfelt sympathy of the entire community in their sudden bereavement.

The remains will arrive here Wednesday from Peoria and funeral arrangements will be announced at a later date.

### K. C. ENTERTAINMENT

Belharz entertainer K. C. hall, tonight at 8:15.

### ELM GROVE

Mr. and Mrs. Fred Scholfield and family, Fred Masters, Yates Potter, Misses Fay Ranson, Fern Potter, Jessie and Fannie Masters visited at the home of Mr. and Mrs. C. J. Hemmel and family Wednesday evening.

Mrs. Walter Lewis and two children spent several days last week with Miss Kate Moore.

Miss Fay Ranson visited friends in this neighborhood last week.

Mr. and Mrs. Mike Welsh and family, Mr. and Mrs. Frank Tarzwell and children, Mr. and Mrs. Irvin Welsh and son, spent Wednesday evening with Mr. and Mrs. John Welsh and family.

R. R. Ragan was a Jacksonville visitor Wednesday.

### FIUME HAS ONLY CANDLE LIGHT

Fiume—By A. P.—Fiume has been compelled to dispense with virtually all lights except those of candles because the Italian blockade has stopped the importation of coal. When The Associated Press correspondent arrived here, he found the city in absolute darkness. Railway employees bearing a few lighted candles met the travelers as they alighted from the train from Trieste and escorted them to a small roof where the officer, also with the light of a candle, examined their passports.

Outside the railway station there were neither porters nor cabs nor was a light to be seen in the streets anywhere. Weighed down with their baggage, the travelers groped their way to the hotel only to find that also in darkness.

### GLOOR BUYS PROPERTY

Solomon Swanson has sold his residence property at 1413 South West street to John Gloor, a cigarmaker here. Mr. and Mrs. Gloor will move to their newly acquired property shortly. The sale of the home was made by C. O. Bayha.

### RETURN FROM MUSIC CONVENTION

Mrs. Marguerite Forrest, Miss Lulu D. Hay and Henry W. Pearson of the faculty of the College of Music have returned from Chicago where they have been attending the meeting of the National Music Teachers' Association. They also attended Grand Opera while in Chicago.

### LITERBERRY S. S. ELECTS OFFICERS

Baptist Sunday School Named New Officers Last Sunday—Other Literberry News Notes.

Literberry, Jan. 4.—The annual election of Sunday school officers took place at the Baptist church on Sunday morning and resulted in the choice of the following:

Superintendent—J. E. Underbrink.

Assistant Superintendent—J. A. Liter.

Secretary - Treasurer - Mrs. Earl Rector.

Assistant Secretary—Mildred Underbrink.

Librarian—May Hixon.

Pianists—Mrs. John Daniels and Mrs. Earl Underbrink.

Mrs. Bessie Greenwood and son of Jacksonville are visiting at the Collins home this week.

Mrs. Frank Gish, J. M. Daniels and Helen Mullens are on the sick list.

On last Sunday the primary class of the Baptist Sunday school, gave a very interesting review of the past quarter; Mrs. John Guy has had charge of them for a few lessons and she taught them the review, which was by picture lessons. The children were called on to tell what they remembered of each lesson, and they did remarkably well. Mrs. Guy is a fine teacher, as all her scholars can testify. A little girl in Literberry has read five missionary books during the holidays. She would make a good member in the World Wide Guild, because she is interested in missions.

Alkire Gasoline 30c Standard Gasoline 29 1/2c Illinois Tire & Vulcanizing Co., 315 W. State St.

### ASBURY

Mrs. Hannah Hembrough received a box of grape fruit and oranges last week from her son Robert who is spending the winter in Florida.

Mr. and Mrs. Carl L. Hembrough attended the services at the Central Christian church in Jacksonville Sunday morning. During the afternoon they visited Mr. and Mrs. W. H. Hembrough in South Jacksonville.

Miss Edith Sibert of Jacksonville spent last week with her friend Miss Mildred Morris.

Mr. and Mrs. George Hembrough and daughter Marie were Sunday guests of Mr. and Mrs. Frank Hembrough.

Miss Edith Kellar returned to her home in Jacksonville Saturday after a pleasant visit with her cousin Miss Brenda Craig.

Miss Grace Hembrough of Jacksonville spent the holidays with her parents Mr. and Mrs. James R. Hembrough.

Mr. and Mrs. Earl R. Hembrough and daughter Velma attended the Barrows-Henry wedding near Woodson Saturday evening.

Miss Elizabeth Hembrough of Chicago spent a part of last week with her parents, Mr. and Mrs. Edwin R. Hembrough.

COMMISSIONERS IN CITY Commissioners from the Indian Creek and Mud Creek drainage and levy district were in Jacksonville on business yesterday. The Craig Brothers, drainage suit attorneys from Mattoon were also in the city.

## NuBone Corsets

STYLE—COMFORT—ECONOMY  
When you wear Nu-Bone Corsets  
you wear individual corsets made  
for you from measurements taken  
by a Nu-Bone Corsetier.

The Nu-Bone Corset acts as a flexi-  
ble mold to your figure.  
Without noticeable or unpleasant  
restriction it exercises a gentle but  
constant urge toward perfection.  
Because they so thoroughly com-  
bine comfort with style, they may  
be worn for dress and work, thus  
serving a double purpose.

Nu-Bone Corsets are made-to-  
measure—Also kept in stock. Call,  
write or phone without obligation  
or your part for information or  
appointment.

Satisfaction Guaranteed.
